Ammannati, traversed an elite literary and artistic network, circulating her verse in a complex and intellectually fecund exchange with some of the most illustrious figures in Italian history. In this bilingual anthology, Victoria Kirkham gathers Battiferra's most essential writing, including newly discovered poems, which provide modern readers with a valuable social chronicle of sixteenth-century Italy and the courtly culture of the Counter-Reformation.

The Poetics of Dante's

Paradiso Jan 04 2020 `In the world of Dante scholarship,

there is a real need for studies such as *The Poetics of Dante's Paradiso*, which challenge our notions of the principal souls of the *Paradiso*. Rooted in a close analysis of the poem, Massimo Verdicchio's intelligent interpretation is supported by relevant textual evidence and provides an important counterpoint to the canonical readings of the *cantica*.

Traditional readings of *Dante's Paradiso* have largely considered this third *cantica* of the *Commedia* as a poem apart. It deals with those blessed souls in Paradise who are free of sin and beyond punishment, in contrast to the sinners in the previous two *cantica*, and is thus no longer based on the

principle of *contrapasso*. At the literal level this is true in that all the characters one encounters are either those who have been saved, religious leaders, or saints. However, at the allegorical level, as Massimo Verdicchio argues in *The Poetics of Dante's Paradiso*, the blessed souls still have something to hide, something shameful in their past earthly life, which is revealed nonetheless. In this book, Verdicchio provides a *canto-by-canto* analysis of *Paradiso*. He maintains that the *cantica* can allegorically be seen as a commentary on the political and religious establishment, framed as the punitive action of the DXV

announced at the end of Purgatorio, denouncing the illicit and destructive alliance between the House of Anjou and the Church. Verdicchio focuses on the relationship that Dante establishes among the ten heavens, into which the poet divides the cantica and their equivalent in the Arts and Sciences of the Trivium and Quadrivium, as outlined in the Convivio. This approach provides the key to interpreting the cantos and the discourse of the inhabitants of Paradise who appear, on the surface, blameless. However, it is the earthly and human side of the blessed souls that captures Dante's attention, and this dichotomy is revealed in his

characterization of the heavens. Poetic allegory and irony are the two principal modes of this cantica, and the source of much of its comedic complexity. As one of the characters puts it, in Heaven 'we do not repent but we smile.' A highly original and comprehensive reading, The Poetics of Dante's Paradiso demonstrates that the intricacies of Dante's text reveal subversive undercurrents and a subtle irony, employed to deliver a critique of the Church and Empire of his own time.

considers the eighteenth-century Enlightenment in the context of the European experience with, and reaction to, the cultures of America's original inhabitants. Taking into account Spanish, Italian, French, and English sources, the author describes how the building materials for Rousseau's allegory of the Noble Savage came from the early Spanish chroniclers of the discovery and conquest of America, the Jesuit Relations of the Paraguay Missions (a Utopia in its own right), the Essais of Montaigne, Italian Humanism, Shakespeare's Tempest, writers of Spain's Golden Age, Defoe's Robinson Crusoe, and the European

philosophes.

Poesie liriche postume. [Edited by Lucia David.] Jul 30 2019

Commedia Di Dante

Alighieri Jan 16 2021

The Divine Comedy of Dante

Alighieri Oct 13 2020 Robert Durling's spirited new prose translation of the Paradiso completes his masterful rendering of the Divine Comedy. Durling's earlier translations of the Inferno and the Purgatorio garnered high praise, and with this superb version of the Paradiso readers can now traverse the entirety of Dante's epic poem of spiritual ascent with the

guidance of one of the greatest living Italian-to-English translators. Reunited with his beloved Beatrice in the Purgatorio, in the Paradiso the poet-narrator journeys with her through the heavenly spheres and comes to know "the state of blessed souls after death." As with the previous volumes, the original Italian and its English translation appear on facing pages. Readers will be drawn to Durling's precise and vivid prose, which captures Dante's extraordinary range of expression--from the high style of divine revelation to colloquial speech, lyrical interludes, and scornful diatribes against corrupt clergy. This edition boasts

Downloaded from prudentialeyeawards.com on December 7, 2022 by guest

several unique features. Durling's introduction explores the chief interpretive issues surrounding the *Paradiso*, including the nature of its allegories, the status in the poem of Dante's human body, and his relation to the mystical tradition. The notes at the end of each canto provide detailed commentary on historical, theological, and literary allusions, and unravel the obscurity and difficulties of Dante's ambitious style. An unusual feature is the inclusion of the text, translation, and commentary on one of Dante's chief models, the famous cosmological poem by Boethius that ends the third book of his *Consolation of Philosophy*. A

substantial section of Additional Notes discusses myths, symbols, and themes that figure in all three cantiche of Dante's masterpiece. Finally, the volume includes a set of indexes that is unique in American editions, including Proper Names Discussed in the Notes (with thorough subheadings concerning related themes), Passages Cited in the Notes, and Words Discussed in the Notes, as well as an Index of Proper Names in the text and translation. Like the previous volumes, this final volume includes a rich series of illustrations by Robert Turner. [Astra Castra](#) Feb 26 2022 *The Quest for Epic* Nov 01 2019 An original and

challenging work, *The Quest for Epic* documents the development of Italian narrative from the chivalric romance at the end of the fifteenth century to the genre of epic in the sixteenth century.
