My Sunny Vampire Apr 20 2022 Sunny didn't believe in vampires. Now she is one. Jack VanAllen has spent his long life following the rules and, as a member of the Vampire Committee, he also enforces them. So when he awakens in an alley next to an illegally-turned vampire who resembles his late wife, he's determined to find the guilty party and put them to death. The problem? He doesn't remember the last ten hours of his life. Sunny Petersen's life as a vampire isn't getting off to a great start. She's got no control over her powers, can't find a job, and sexy Jack is being stand-offish. The only thing she'd like more than catching the creep who turned her is getting Jack into the closest bed. But, could Jack be the one who turned her? When Jack sets out to find the culprit, he discovers feelings for Sunny he hasn't had in centuries. But everything is pointing to his guilt. Can loving her lead to his death?

The National Highway Traffic Safety Administration's Rating System for Rollover Resistance Mar 19 2022 Explains that the static stability factor is an indicator of a vehicle's propensity to roll over, and that US government ratings for vehicles do not reflect differences in rollover resistance. This report states that the 5-star system should allow discrimination among vehicles and incorporate results from road tests that measure vehicle control.

Lemon-Aid New Cars and Trucks 2013 Nov 03 2020 Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters.

Lemon-Aid New Cars and Trucks 2011 Oct 02 2020 As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie"

vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."

Bite Me, I'm Yours Jun 22 2022 Sarah's known monsters. . .and John isn't one. Sarah's life isn't going well. She's divorced from an abusive jerk, been drugged, stuffed in her trunk and nearly kidnapped. Between that and a harsh winter, it's almost more than a girl can take. She's rightly distrusting of any man's affection, so an ice-skating date with John - who doesn't seem to feel the cold - isn't exactly on her bucket list. Yet something about him captures her attention. John is determined to live as an ordinary mortal. He's moved into the city, bought a sports bar and works there as the bartender. As a new vampire, he's never considered dating, until he meets Sarah. Prudence dictates he stay away from her, but everything about her calls to him. . .right down to her cute animal socks. Sure, finding out John is a vampire is scary, but Sarah's learned not all monsters have fangs. Besides, someone else isn't too happy about their budding relationship. Sarah will have to survive before getting her chance at love. 92,308 Words
