A Long Way Gone Jan 01 2020 At the age of twelve, Ishmael Beah fled attacking rebels in Sierra Leone and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. At sixteen, he was removed from fighting by UNICEF, and through the help of the staff at his rehabilitation center, he learned how to forgive himself, to regain his humanity, and, finally, to heal. This is an extraordinary and mesmerizing account, told with real literary force and heartbreaking honesty.

Railroads in the Old South Nov 30 2019
Aaron W. Marrs challenges the accepted understanding of economic and industrial growth in antebellum America with this original study of the history of the railroad in the Old South. Drawing from both familiar and overlooked sources, such as the personal diaries of Southern travelers, papers and letters from civil engineers, corporate records, and contemporary newspaper accounts, Marrs skillfully expands on the conventional business histories that have characterized scholarship in this field. He situates railroads in the fullness of antebellum life, examining how slavery, technology, labor, social convention, and the environment shaped their evolution. Far from seeing the Old South as backward and premodern, Marrs finds evidence of urban life, industry, and entrepreneurship throughout the region. But these signs of progress existed alongside efforts to preserve traditional ways of life. Railroads exemplified Southerners' pursuit of progress on their own terms:

Westmoreland Aug 20 2021 "A terrific book, lively and brisk . . . a must read for anyone who tries to understand the Vietnam War." —Thomas E. Ricks Is it possible that the riddle of America's military failure in Vietnam has a one-word, one-man answer? Until we understand Gen. William Westmoreland, we will never know what went wrong in the Vietnam War. An Eagle Scout at fifteen, First Captain of his West Point class, Westmoreland fought in two wars and became Superintendent at West Point. Then he was chosen to lead the war effort in Vietnam for four crucial years. He proved a disaster. Unable to think creatively about unconventional warfare, Westmoreland chose an unavailing strategy, stuck to it in the face of all opposition, and stood accused of fudging the results when it mattered most. In this definitive portrait, prize-winning military historian Lewis Sorley makes a plausible case that the war could have been won were it not for General Westmoreland. An authoritative study offering tragic lessons crucial for the future of American leadership, Westmoreland is essential reading. "Eye-opening and sometimes maddening, Sorley's Westmoreland is not to be missed." —John Prados, author of *Vietnam: The History of an*

The Blue Ridge Tunnel Jan 31 2020 The true story of the construction of the historic Crozet railroad tunnel—as seen through the eyes of three Irish immigrant families who helped build it. In one of the greatest engineering feats of the time, Claudius Crozet led the completion of Virginia's Blue Ridge Tunnel in 1858. More than a century and a half later, the tunnel stands as a National Historic Civil Engineering Landmark, but the stories and lives of those who built it are the true lasting triumph. Irish immigrants fleeing the Great Hunger poured into America resolved to find something to call their own. They would persevere through life in overcrowded shanties and years of blasting through rock to see the tunnel to completion. In this intriguing history, Mary E. Lyons follows three Irish families in their struggle to build Crozet's famed tunnel—and their American dream. Includes photos and illustrations

The Waves Nov 10 2020 WITH INTRODUCTIONS BY JEANETTE WINTERSON AND GILLIAN BEER *The Waves* is an astonishingly beautiful and poetic novel. It begins with six children playing in a garden by the sea and follows their lives as they grow up and experience friendship, love and grief at the death of their beloved friend Percival. Regarded by many as her greatest work, *The Waves* is also seen as Virginia Woolf's response to the loss of her brother Thoby, who died when he was twenty-six. The Vintage Classics Virginia Woolf series has been curated by Jeanette Winterson, and the texts used are based on the original Hogarth Press editions published by Leonard and Virginia Woolf.

He planned to make himself a new life, far from home and the betrayal he'd suffered there. He wasn't going to make the same mistakes again, but he didn't count on meeting Micah, or the intensity of the feelings the man arouses in him. But Micah is out and Cole isn't. And while Micah definitely revs his engines, Cole isn't going to risk his job or his newly minted future on a relationship that might not work out. When outside forces bear upon the couple, Cole is faced with a

decision. Will he keep his secret and risk losing everything, including the man he loves? Or will he stand with Micah and fight for their future? **Fight For It* is a male/male romance meant for ages 18+ due to language, themes, and adult scenes.*
Pre-Incident Indicators of Terrorist Incidents Jan 25 2022 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents.

Cather's earliest novels, it is the story of Antonia Shimerda, who arrives on the Nebraska frontier as part of a family of Bohemian emigrants. Her story is told through the eyes of Jim Burden, a neighbor who will befriend Antonia, teach her English, and follow the remarkable story of her life. Working in the fields of waving grass and tall corn that dot the Great Plains, Antonia forges the durable spirit that will carry her through the challenges she faces when she moves to the city. But only when she returns to the prairie does she recover her strength and regain a sense of purpose in life. In the quiet, probing depth of Willa Cather's art, Antonia's story becomes a mobbing elegy to those whose persistence and strength helped build the American frontier.
