Italian Literature: Il tristano panciatichiano Jul 21 2021 The Arthurian Archives series of texts and editions in translation, edited by Norris J. Lacy, makes a start on Italian Arthurian material, with a 14c Tristan text. This is the first critical edition with English translation of the prose compilation *Tristano panciatichiano*, preserved in a unique manuscript in the Biblioteca Nazionale of Florence (MS Panc. 33); it is the first time the Italian text has been published in its entirety in any form. Assembled by the mid-fourteenth century, the manuscript is an original compilation in Italian based on several French models: the *Queste del San Graal*, *Joseph'Arimathie*, the *Mort Artu*, and notably, the *Roman de Tristan en prose*. While the edition itself will be of great interest, the translation into English is a major opportunity for Arthurians and other medievalists, and furnishes important new evidence for the study of Arthurian material in Italy. Apparatus includes a finding list of Arthurian manuscripts produced, owned or read by Italians; a select bibliography; and an index of proper names found in the narrative.

Language and Style in a Renaissance Epic Sep 30 2019 This book reproduces, with slight alterations, the first half of a doctoral thesis presented to the University of Cambridge in 1978. What the book offers is a comprehensive, even if not actually exhaustive, account of the corrective principles which underlie Berni's rewriting of Boiardo's epic. It is therefore deliberately conceived as a study of the specific motives for Berni's intervention rather than of the aesthetic results that derive from it. The chapters comprise; Phonology, Morphology, Grammar, Syntax, Versification, Lexis, Cliche, Propriety, and The Mechanics of Reconstruction.

Salve! Jul 01 2022 SALVE!, Second Edition is a complete introductory Italian program that introduces students to Italian life and culture while furthering their skills to understand and express common words and phrases in Italian. Students are exposed to the vibrant life of modern day Italy and its rich cultural heritage through the Sulla Strada video clips which give your students a taste of everyday life in Italy while providing a wealth of activities in both the text and online. The integration of video, suggestions for music, internet and GoogleEarth searches, and a distinctive focus on Italy's varied regions, make this text essential for anyone interested in learning Italian. Students are invited to talk about their education, family, friends, tastes, leisure activities, their past and their plans for the future, and encourages them to make cross-cultural comparisons and connections from their own life with those of their Italian counterparts. Students will also discover the different Italian regions and their distinctive characteristics. SALVE! is a complete, streamlined program that is highly-effective for courses with a two-semester or reduced hour sequence. The text uses a manageable building block method introducing the structures of the language through an easy-to-understand dialogue and narrative, and by recycling essential vocabulary throughout each chapter.
