God's Feminist Movement May 30 2020 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ!

The Spirit of Excellence Aug 25 2022 The Spirit of Excellence A plan of God exemplified through Daniel God decided to create man in His image and likeness. The Lord God, in His eternal purpose, provided His word to feed and give life to man, in order for man to live the spirit of excellence on earth. Jesus, the second man and the last Adam, lived fully the spirit of excellence on earth fulfilling the plan of God. He is the Alpha and the Omega, the beginning and the end of the word of God. Jesus Christ is the essence and the fullness of the word of God. However, it is in the word that man lives in the spirit of excellence to fulfill the plan of God. Daniel was a Jew, who lived in exile in Babylon, from his youth to his death. When he was a child, he decided to obey the word of God during his life. By practicing the word of God, he fulfilled God's plan by living out the spirit of excellence on earth. In this book, we will learn more about the life and work of the prophet Daniel in Babylon. I believe that

God desires for us to be inspired, challenged, and awakened to live a life with a spirit of excellence like Daniel lived. To God, in Christ Jesus, be all the glory!

Emotional Intelligence Nov 16 2021 #1 BESTSELLER • The groundbreaking book that redefines what it means to be smart, with a new introduction by the author “ A thoughtfully written, persuasive account explaining emotional intelligence and why it can be crucial. ” —USA Today Everyone knows that high IQ is no guarantee of success, happiness, or virtue, but until Emotional Intelligence, we could only guess why. Daniel Goleman's brilliant report from the frontiers of psychology and neuroscience offers startling new insight into our “ two minds ” —the rational and the emotional—and how they together shape our destiny. Drawing on groundbreaking brain and behavioral research, Goleman shows the factors at work when people of high IQ flounder and those of modest IQ do surprisingly well. These factors, which include self-awareness, self-discipline, and empathy, add up to a different way of being smart—and they aren ’ t fixed at birth. Although shaped by childhood experiences, emotional intelligence can be nurtured and strengthened throughout our adulthood—with immediate benefits to our health, our relationships, and our work. The twenty-fifth-anniversary edition of Emotional Intelligence could not come at a better time—we spend so much of our time online, more and more jobs are becoming automated and digitized, and our children are picking up new technology faster than we ever imagined. Many are sexually harassed in the dream and many are being pursued by masquerades and other satanic agents in their dreams. And as a result, life has become hell on earth for them although they are Christians. They have become pawns in the hands of the enemy because they cannot handle the sword of deliverance. This book reveals to you how you can possess and handle the sword of deliverance effectively and come out victorious in the battles of life.

Dare to Be a Daniel Dec 17 2021 An awakening call to all Christians to prove the omnipotence of our God to the world as we manifest excellent wisdom, provide solutions to teething national and international problems and carry out spectacular exploits that would compel unbelievers to fear God, acknowledge His sovereignty, bow down to worship His majesty and come to the realization that the Most High God rules in the kingdom and affairs of men. This is the challenge that the life and ministry of Daniel pose to Christians today. Imagine a scenario where the king of the most powerful and dreadful nation of that time fell down prostrate, before the young captive Daniel. The king literally idolized him, ordered that an offering of incense be made to Daniel, and exclaimed reverently; "Truly, your God is the God of gods, the Lord of kings and the Revealer of Secrets". All these happened because to the utter dismay of king Nebuchadnezzar, Daniel, through prayer and God's gifts revealed and interpreted the king's untold dream. By this feat, Daniel and his friends were greatly promoted while God's name was highly glorified and honoured. God made them to excel far above their colleagues. This book further makes us to appreciate that with an adequate knowledge of our God, a readiness to please Him by keeping ourselves pure, a rugged faith, and an unwavering loyalty to Him, there is no limit to which God can use our lives and ministries to prove His majesty, just as He did through Daniel and his companions. By manifesting these traits, the burning furnace was turned to an air-conditioner and the mouths of dreadful lions were locked. This book encourages Christians from all walks of life to prayerfully demonstrate these traits as Daniel did, so that we can impact the world around us positively for God. This book is an expository on how Christians can receive divine guidance regularly and specifically as it carefully unveils the requisite processes, e.g. through God's Word, by Spirit-filled Counsellors, and overwhelmingly by the Holy Spirit. The author shares his own practical experiences in these regards. It reveals how parents can develop intimacy with their children that would enhance winning them for Christ and help them to fulfil destiny. This is an inevitable book for all who desire excellence in life and ministry as it systematically details the divine steps for the attainment and maintenance of excellence in these respects. The book should be a hot-cake for genuine result-oriented intercessors, as it uses Daniel's life to expound on how to become an excellent intercessor. Through rugged faith in God, coupled with unrelenting prayers, a Christian can always emerge victorious over fierce trials and enemy gang-ups, to bring glory to God's Name. This book can be rightly described as a handbook for Christian youths as well as an important guidebook for all Christians. Through the help of the Holy Spirit, it offers in-depth details on: how Christian youths can

positively use their energy without manifesting youthful exuberance, conduct themselves wisely in the fear of God, do exercises towards righteousness, be on fire for the Lord and yet be humble and obedient. It shows how they can choose godly companions, become responsible and respectable in the community and in the Church, soar into prominence, and fulfill their God ordained destinies in life. A reviewer described it as a 'book that is conceived from the womb of the Holy Spirit, timely, apt, and heart-warming.' Another reviewer referred to it as, 'an exquisite treasure, a compendium of sorts, from being a Bible study material, a book replete with life cum personal experiences, a prayer manual, and a visibly recognized Holy Spirit inspired Ministry Instruction Manual. The prayer box at the end of each chapter provides a set of prayers, which if thoroughly applied would surely transform the reader into a Daniel in his or her operational base, be it at home, school, work pl...

**Daniel Gordon: Houseplants** Jan 26 2020 This highly collectible, limited-edition pop-up book is a work of art in itself, rendering Daniel Gordon's sculptural forms into a new layer of materiality and animating them in a pop-up performance. The book consists of six works in pop-up form, some featuring simple plants, others unfolding more elaborate tableaux. Inspired by his interest in the popularity of certain subjects on the internet--houseplants among them--Gordon meticulously cuts up pictures found online to create sculptural and fantastical still lifes. He uses photography not to show reality, but to present a new version of it. The crumpled paper and mix of realistic and unnatural colors render the objects slightly goofy. "Without seams and faults and limitations, my project would be very different," Gordon says. "The seamlessness of the ether is boring to me, but the materialization of that ether, I think, can be very interesting." His pieces are a perfect marriage of digital and analog processes and of high and low artistic references, complicating what is understood as sculpture, photography, painting, and the cutout.

Out of a week-long discussion between the Dalai Lama and small group of eminent psychologists, neuroscientists, and philosophers, Goleman weaves together a compelling narrative account. **Trapped in a Lion's Den** Aug 13 2021 Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel?

You the reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. Oliver PhD, BCPC

The Importance and Value of Proper Bible Study Dec 25 2019 There has perhaps never been an age that set such great store in study as that in which we now live. The unfortunate thing about it is that so much of the study in our day is devoted to books and subjects in which there is little or no profit. Time is squandered on the purely speculative, the uncertain, the unprofitable, the unessential, the unproductive, the irrelevant, and the transitory. The most profitable of all study is wisely ordered Bible study. Its value is incalculable. It is beyond all comparison more profitable than any other study. It is the one superlatively profitable study. Bible study towers above all other studies in importance and value not only because of what the Bible is, but also because of what the Bible does. The Bible properly studied makes men wise unto salvation. The Bible makes Jesus Christ known so as to lead anyone who studies it to believe in Jesus as the Christ, the Son of God, and thereby to obtain eternal life in His name. The Bible imparts God's own nature to the men, women, and children who study it as they should and thus completely transforms their inmost and their outward life. When properly studied, this Book makes the one who studies it grow like the palm tree in all the graces and glories of Christian character. The Bible properly studied makes the heart pure and keeps the life white. The Bible, properly studied, brings peace, wonderful peace, to the troubled

heart. The Bible, properly studied, brings joy as well as peace. In this book, I will tell you how to properly study the Bible: for light and not for darkness, for life and not for death, for blessing and not for cursing, and so it will lift us up to heaven and not sink us down to hell.

**The Field Guide to Achieving HR Excellence through Six Sigma** Jan 18 2022 In an environment where many organizations think of human capital assets as little more than expense items that impact the bottom line, this book will help human resource (HR) professionals initiate a shift toward a new culture in which management views employees as true partners in achieving organizational success. The Field Guide to Achieving HR Excellence through Six Sigma provides detailed guidance on how to utilize the Six Sigma methodology and the TLS Continuum to achieve the business model that is required to thrive in today's business environment. The book demonstrates a clear path to continuous improvement that is based on the practice of spreading quality throughout the organization so that it becomes everyone's responsibility. This book is the sequel to Achieving HR Excellence through Six Sigma. In this book, Daniel Bloom provides a road map on how to implement the concepts found in the first book. The book begins by explaining how to create an HR Center of Excellence and then provides an understanding of the define-measure-analyze-improve-control (DMAIC) process and its implementation for HR. This road map will help you determine where your organization is failing to meet the voice of the customer. The book presents proven Six Sigma solutions for initiating and sustaining organizational change as well as strategies that allow leadership to make adjustments to processes if your organization falls short of meeting the need of the customer. It includes case studies of organizations that have successfully utilized the Six Sigma methodology to improve workflow and correct HR issues including the actual project documents used to implement the methodology. A word of caution: If the reason you are looking to improve work flow is to find ways to reduce headcount, then this is not the book for you. Instead, if you are looking for a guide that can help you become a strategic partner, administrative expert, employee champion, and change agent, then fasten your seat belts and begin this worthwhile journey.

**Excellence: How to Pursue an Excellent Spirit** Jun 23 2022 If you're honest, you'll admit you want to be promoted in life. You want the benefits of success, influence, and prosperity, and there's nothing wrong with that. It's what God wants for you too! Promotion even comes from God, and though relative to what God has called each person to do, it is available to every born-again believer! But even though promotion comes from God, it isn't God who determines whether you are promoted or not. It's you. You choose to be promoted by choosing to develop an excellent spirit, and in this book, Andrew Wommack will show you how. Using examples from the lives of Daniel and his friends, and from his own life, Andrew outlines the key characteristics of excellence including identity in Christ, true humility, full obedience, endurance, and an uncompromising stand on God's word. In contrast, Andrew also explains the dangers of moral relativity and man-pleasing and how those characteristics often mire believers in a life of mediocrity and impotence. Personal talent, beauty, education, and intelligence are also not what produce promotion; it is a devoted relationship with God. No matter how much money you make or where you live; no matter who your connections are or the color of your skin; it's an excellent spirit that will be the true determiner of your promotion. Let Andrew's book encourage you to pursue Excellence.

**Focus** Sep 26 2022 For more than two decades, psychologist and journalist Daniel Goleman has been scouting the leading edge of the human sciences for what's new, surprising, and important. In Focus, he delves into the science of attention in all its varieties, presenting a long overdue discussion of this little-noticed and under-rated mental asset that matters enormously for how we navigate life. Goleman boils down attention research into a three parts: inner, other, and outer focus. Goleman shows why high-achievers need all three kinds of focus, as demonstrated by rich case studies from fields as diverse as competitive sports, education, the arts, and business.

Those who excel rely on what Goleman calls Smart Practices such as mindfulness meditation, focused preparation and recovery, positive emotions and connections, and mental 'prosthetics' that help them improve habits, add new skills, and sustain excellence. Combining cutting-edge research with practical findings, Focus reveals what distinguishes experts from amateurs and stars from average performers.

**Narrowing the Attainment Gap: A handbook for schools** Aug 01 2020 The attainment gap between disadvantaged pupils and their peers is one of the most insidious social injustices in the developed world. It is a significant factor in the growing inequality of our societies and persists across time and nations. For this reason, narrowing the gap is a top priority for governments and policymakers, and an issue that all schools must tackle. Written by a leading expert in the field of inclusion, *Narrowing the Attainment Gap* is designed to support school leaders in understanding and reducing the attainment gap in the context of their setting. Drawing on research and his own extensive experience in leading a team that has worked with over 1,000 schools, Daniel Sobel examines the real issues behind the attainment gap and the barriers schools face when trying to narrow it. The book provides a unique approach with hands-on, practical guidance to enable every school leader to develop their own bespoke solutions to meet the needs of their community. Case studies and examples illustrate how these interventions can be put into practice and the impact they can have, while template resources help schools demonstrate to stakeholders the change they are driving at an individual, cohort and whole-school level.

**Social Intelligence** Sep 02 2020 Emotional Intelligence was an international phenomenon, appearing on the New York Times bestseller list for over a year and selling more than 5 million copies worldwide. Now, once again, Daniel Goleman has written a groundbreaking synthesis of the latest findings in biology and brain science, revealing that we are 'wired to connect' and the surprisingly deep impact of our relationships on every aspect our lives. Far more than we are consciously aware, our daily encounters with parents, spouses, bosses, and even strangers, shape our brains and affect cells throughout our bodies, down to the level of our genes - for good or ill. In *Social Intelligence*, Daniel Goleman explores an emerging new science with startling implications for our interpersonal world. Its most fundamental discovery: we are designed for sociability, constantly engaged in a 'neural ballet' that connects us brain-to-brain with those around us. Goleman explains the surprising accuracy of first impressions, the basis of charisma and emotional power, the complexity of sexual attraction, and how we detect lies. He describes the 'dark side' of social intelligence, from narcissism to Machiavellianism and psychopathy. He also reveals our astonishing capacity for 'mindsight', as well as the tragedy of those, like autistic children, whose mindsight is impaired. In this book Daniel Goleman delivers his most heartening news with powerful conviction: we humans have a built-in bias toward empathy, cooperation and altruism - provided we develop the social intelligence to nurture these capacities in ourselves and others.
