Brilliant Activities for Reading Comprehension, Year 2 Oct 02 2022 The importance of being able to read for meaning should never be underestimated. The ability to decode text is not enough. It is vital that children understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading, so that they grow up to become lifelong readers. The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that. They provide children with a variety of engaging, enjoyable texts that will grab their attention, and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues, to plays, stories and poems. They gradually increase in difficulty as you progress through the book, and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. Tasks range from simple factual recall and vocabulary work to more open-ended questions enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast-finishers.

Holes Jan 25 2022 Stanley Yelnat's family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth. In this wonderfully inventive, compelling novel that is both serious and funny, Louis Sachar has created a masterpiece that will leave all readers amazed and delighted by the author's narrative flair and brilliantly handled plot.

Volume I, PRIMARY LEVEL, presents 45 detailed lessons, reproducible story selections and questions, and related activities for reading grade levels 1, 2, and 3. Volume II, INTERMEDIATE LEVEL, presents 45 detailed lessons, reproducible story selections and questions, and related activities for reading grade levels 4, 5, and 6. The story lessons and activities in both volumes are designed with modifications for the learning disabled built in. They can be used with all regular and special students in any basal or whole language reading program, and help increase students' confidence, interest, and involvement in learning while growing comprehension skills. You'll find 15 story lessons at each grade level. Each story lesson is organized into the following sections: About the Story: A brief overview introduces the story's topic, e.g., "Fast-Food Computers" (Reading Level 2) or "The Mystery of St. Elmo's Fire" (Reading Level 4). Preview Words: A helpful word list introduces students to any unfamiliar vocabulary. Books to Read: Recommended books relate to the subject of the story lesson. Videos/CD's, Records & Cassettes: These additional resources will help get students hooked into the story lesson. Introductory Activities: Role-playing, card games, crafts projects, and other activities familiarize students with the topics of the story. The Story: Each factual story is designed to capture and hold children's interest and is accompanied by a reproducible full-page picture. Questions: Specially designed comprehension questions require students to think out their answer and respond with complete, written sentences. Extension Activities: Projects, plays, and a variety of other activities allow the student to experience the subject beyond the story. Each grade-level volume also includes a special introduction offering detailed suggestions for using "Reading Stories for Comprehension Success" with students of all abilities. This covers teaching strategies, reading ability guidelines, sentence writing lessons, and directions for effective use of the pre-tests, teacher lesson plans, and student data sheets. In short, "Reading Stories for Comprehension Success" gives you a single developmental program you can use with all of the regular and special students in your classroom. It provides maximum flexibility in lesson preparation and the freedom to base each lesson on your students' needs.
