Handmade Nation Apr 03 2020 "Today's craft world has emerged as a marriage between historical technique, punk culture, and the DIY ethos, also influenced by traditional handiwork, modern aesthetics, politics, feminism, and art. It is no longer simply about cross-stitching samplers or painting floral scrolls on china. Instead, it embraces a vibrant movement of artists, crafters, and designers working in traditional and nontraditional media." "The heart of the new wave of craft is the community. Participants share ideas and encouragement through websites, blogs, boutiques, galleries, and craft fairs. Together they have forged a new economy and lifestyle based on creativity, determination, and networking. Faythe Levine has traveled 19,000 miles to document the handmade scene in the film Handmade Nation, and she and Cortney Heimerl bring together the raw, fresh, and radical results in this comprehensive book. Twenty-four artists from Olympia, Washington, to Providence, Rhode Island, and everywhere in between show their work and discuss their lives. Texts by Andrew Wagner, Garth Johnson, Callie Janoff, Betsy Greer, and Susan Seal supply a critical view to the tight-knit community. For those who are a part of the emerging handmade nation, or just interested in viewing it from afar, this book is an essential introduction." --Book Jacket.

In over 60 lessons, learn the ABCs of lettering (literally) and basic styles: serif, sans serif, and script. Next, how to lay out a design, combine various styles into one cohesive piece, add shadows and dimension. Master more advanced letter styles, from faceted to ribbon to “vintage circus.” Use banners, borders, flourishes. And finally, 12 projects to show off your newfound skills: including a Winter Wonderland Snow Globe; a smartphone-themed birthday card to text friends and family; a one-of-a-kind party invitation to create, photograph, and mail; and a bake sale sign guaranteed to put everyone who sees it in the mood for a cupcake!

Start Your Own Lavender Business Feb 11 2021 LAVENDER: ONE OF THE TOP 5 CASH CROPS FOR SMALL GROWERS. It's time to build your own Lavender business. This 2 in 1 step-by-step guide teaches you everything you need to know to get started! Lavender is a versatile crop and a great cash opportunity for any small farm. Best of all, unlike many other seasonal crops, such as flowers, that are worthless if not sold at harvest time, lavender can be dried and made into even more profitable products. Fresh flowers sell like crazy in farmer's markets, lavender oil is in high demand, and dried flowers are sought after by florists and hobbyists. The simplest way to sell lavender, which needs minimal investment in time and equipment to produce, is as dried flower bouquets. A one-acre planting can produce about 12,000 bouquets per year, worth \$10 each or more on the retail market. With so much focus on local buying in communities, you'll become the go-to person for lavender by those interested in aromatherapy products, natural skin-care products, sachets, and more-the limit is your imagination. Lavender allows you to create a sustainable, year-round income. This easy-to-grow herb lives about 12-15 years, and it's incredibly easy to make valuable products you can sell in the off-season. You'll learn: All the key information about lavender Best lavender types to grow How to grow lavender The most common mistakes to avoid All about selling lavender Best products to sell and services to offer Practical and low-cost marketing tips +100 crafts, handmade gifts, and home remedies And so much more! For the small business owner at heart-what are you waiting for? Scroll up, and one-click buy your copy, and get started today!

Sell Your Crafts Online 2022 Dec 12 2020

Sell Your Crafts Online 2022 Aug 27 2019 Want more online buyers for your handmade products? This book gives you marketing ideas for each of the major platforms so you can decide which is right for you now. It also shows you how to scale up your sales by selling on multiple platforms when you are ready. As a seller of handmade items, you aren't limited to Etsy, Amazon Handmade, or having your own website, though each of these could provide a substantial business by themselves. If you can manage a larger business, you can simultaneously run shops on Facebook, Instagram, Pinterest, and other social platforms where shoppers can see your product posts and order directly without leaving the site they are on. Having multiple stores can feel overwhelming. Here you will discover

tools and apps that help you grow and manage your presence on many sites through a single interface. There are many ideas outlined in these pages. But they aren't here to encourage you to jump on all of them right away. In fact, unless you have already mastered an online marketplace like selling on Etsy first, then aiming for more markets is asking for overwhelm, confusion, and stress. Read the book through in the order it's written. Make notes of which markets and tools appeal to you. Modify Chapter 5's suggested marketing plan to fit your situation and needs. Taking random marketing actions here and there will eventually bring in occasional income. But working from a plan brings measurable and sustainable profits in the shortest time. If you want a business that generates money predictably over time, organize your actions around a master plan. Your plan is your guide, but it's not set in stone, especially with ecommerce, which transforms rapidly. To grow a successful business, adopt an adaptive mindset. Regularly review your progress and edit your plan according to the results of actions you have taken and current circumstances.

[The Serious Business of Craft](#) Jun 17 2021 The modern world is eschewing plastic, we're getting rid of waste, we're buying local and we're avoiding the tax dodgers. Now is the time to capitalise on this movement. This book tells you how and why adopting a business mindset to selling your handmade craft will bring you out of the spare room and into the public domain. Making money with craft is all about focus, dedication, working smart, working hard, and enjoying the process. If you want to be successful, it's time to leave the world of 'traditional' craft fairs in dusty village halls behind, and follow the money. Build your brand, your reputation, and

your wealth. Make the most of the resources available to you, and maximise your profitability. Honed over 5 years of successful selling, this book is a practical guide to the world of making and selling your crafts. Approached from a business perspective, the guide offers advice on running your craft stall, setting out the reasons why a craft business is no different from any other commercial venture. This is a dip-in-dip-out guide, covering everything you'll need to be a successful, profitable crafter. I analyse the reasons why there is money to be made at craft fairs, how to capitalise on this, the fairs that work financially and those that won't, what your brand needs to say about your craft, what YOU need to bring to your brand and, of course, how to avoid wasting your time and your money. The chapters are: 1. What Do I Know? 2. Get Your Business Head On 3. The Advantages of Selling at Craft Fairs 4. Will Your Craft Sell? 5. A Part-Time Business? 6. Pricing Your Craft 7. Profit Calculations 8. Keeping Your Costs Down 9. The Psychology of The Buyer and How This Affects Your Pricing Strategy 10. Is It Legal and Safe? 11. Naming Your Business 12. Inventory 13.
