Penny Dreadful Causes a Kerfuffle May 07 2020 My name is not actually Penny Dreadful. It is Penelope Jones. The 'Dreadful' bit is my dad's JOKE. But this time I really wasn't trying to be DREADFUL... No. I was just trying to DO MY BEST, so it is completely not my fault that right now I am sort of blueish all over and so is my sister Daisy's swan outfit. And I was also really TRYING TO HELP Joshua Bottomley fall in love with Daisy by doing a science experiment on him, but I did not know that he would just go a bit pale and green and it would all turn into one BIG kerfuffle! This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "ANY child who likes a bit of mayhem will enjoy PENNY DREADFUL CAUSES A KERFUFFLE by Joanna Nadin. Penny means well but things never work out quite the way she plans especially when there's a chemistry set involved. A perfect choice for fans of Horrid Henry and Jeremy Strong." - The Sunday Express

Editha's Burglar Dec 14 2020 I will begin by saying that Editha was always rather a queer little girl, and not much like other children. She was not a strong, healthy little girl, and had never been able to run about and play; and, as she had no sisters or brothers, or companions of her own size, she was rather old-fashioned, as her aunts used to call it. She had always been very fond of books, and had learned to read when she was such a tiny child, that I should almost be afraid to say how tiny she was when she read her first volume through. Her papa wrote books himself, and was also the editor of a newspaper; and, as he had a large library, Editha perhaps read more than was quite good for her. She lived in London; and, as her mamma was very young and pretty, and went out a great deal, and her papa was so busy, and her governess only came in the morning, she was left to herself a good many hours in the day, and when she was left to herself, she spent the greater part of her time in the library reading her papa's big books, and even his newspapers.

Heartache May 19 2021 When an old man's dog died, his grandchildren buried the poor pet and set up a fine gravestone. It seemed respectful and nice of them. Until they started asking for admission fees from the other neighborhood kids who wanted to see the grave. Were they just joking around and how would their parents react? What happened when a poor girl wanted to see the dog's grave but could not afford to pay the fee? Find out the answers in Hans Christian Andersen's "Heartache". Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

Mr Darwin's Gardener Nov 12 2020 A postmodern Victorian novel about faith, knowledge and our inner needs. The late 1870s, the Kentish village of Downe. The villagers gather in church one rainy Sunday. Only Thomas Davies stays away. The eccentric loner, father of two and a grief-stricken widower, works as a gardener for the notorious naturalist, Charles Darwin. He shuns religion. But now Thomas needs answers. What should he believe in? And why should he continue to live? Why Peirene chose to publish this book: 'This is Peirene's most poetic book yet. A tale of God, grief and talking chickens. Like Dylan Thomas in Under Milk Wood, Carlson evokes the voices of an entire village, and, through them, the spirit of the age. This is no page-turner, but a story to be inhabited, to be savoured slowly.' Meike Ziervogel 'The translation is terrific and the author's grasp of England circa 1880 is utterly convincing.' Sally Vickers, Observer 'It's hard to believe this novel originated in another country. But it did, and the way Carlson shows us to ourselves should make us wonder.' Nicholas Lezard, Guardian 'Allow layers of meaning to emerge after you finish reading, and you may be rewarded.' Harriet Paterson, Tablet 'The collective consciousness in this novel is an amazing choir: Carlson makes the souls of Downe Parish sing.' Helsingin Sanomat 'Carlson writes beautifully, wisely and with effortless humour.' Suomen Kuvalehti LONGLISTED FOR THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD 2015 OBSERVER BEST HOLIDAY READS 2013
