Street Outreach May 08 2020 Street Outreach: Love, Service & Leadership with the foreword written by His Holiness The Dalai Lama. The daily and nightly offices of Street Outreach Workers are inside drug houses, abandoned buildings, under bridges, and within domestic violence and emergency shelters. Street Outreach Workers don't just go to places most people try to avoid, meeting our most marginalized and traumatized youth and young adults where they're at, giving them food, water, blankets, first aid kits and hygiene products. Street Outreach Workers build trust with those who have every reason not to trust anyone. Street Outreach Workers facilitate healing and powerful transformation in uncontrolled and sometimes volatile situations. There have been many books written about leadership, transformation and inspiration, but few books take the reader on a journey inside of true life-or-death situations, demonstrating how our deepest needs, if frozen by trauma, can be thawed with the light of love, service and leadership. This book shines a spotlight on our most marginalized and traumatized youth and young adults, inspiring the reader with true stories of healing and how to facilitate transformation, even in the most challenging circumstances.

A self-made billionaire, he heads one of the largest hedge funds on Wall Street and can take down major corporations with a single word. The only thing he's missing? A wife who'd be as big of an achievement as the billions in his bank account. A cat lady who needs a date... Twenty-six-year-old bookstore clerk Emma Walsh has it on good authority that she's a cat lady. She doesn't necessarily agree with that assessment, but it's hard to argue with the facts. Raggedy clothes covered with cat hair? Check. Last professional haircut? Over a year ago. Oh, and three cats in a tiny Brooklyn studio? Yep, she's got those. And yes, fine, she hasn't had a date since... well, she can't recall. But that part is fixable. Isn't that what the dating sites are for? A case of mistaken identity... One high-end matchmaker, one dating app, one mix-up that changes everything... Opposites may attract, but can this last?

A Time of Love and Tartan Jan 04 2020 Catch up with the delightful goings-on in the fictitious 44 Scotland Street from Alexander McCall Smith . . . 'A joyous, charming portrait of city life and human foibles, which moves beyond its setting to deal with deep moral issues and love, desire and friendship' Sunday Express If only Pat Macgregor had an inkling of the embarrassment romantic, professional, even aesthetic that flowed from accepting narcissistic ex-boyfriend Bruce Anderson's invitation for coffee, she would never have said yes. And if only Matthew, her boss at the art gallery, hadn't wandered into his local bookshop and picked up a particular book at a particular time, he would never have knocked over his former English teacher or attracted the attentions of the police. Whether caused by small things such as a cup of coffee and a book, or major events such as Stuart's application for promotion and his wife Irene's decision to go off and study for a PhD in Aberdeen, change is coming to serial fiction's favourite street. But for three seven-year-old boys Bertie Pollock, Rnald Braveheart Macpherson, and Big Lou's foster son Finlay - it also means a getting a glimpse of perfect happiness. Alexander McCall Smith's delightfully witty, wise and sometimes surreal comedy spirals out to include tennis-playing Rwandan Forest People, researches into levitating Celtic saints, bogus headhunters in Papua New Guinea and primary school performances of Beckett. But its heart remains where it has always been true to life, love and laughter in Edinburgh's New Town.

There's No Love on Wall Street Mar 06 2020 Enamoured by the glamorous lives of the investment-banking hopefuls in Wellesley College, Massachusetts, pre-med student Riya Jain decides to become an investment banker. Her sole ambition is to secure an internship and, eventually, a full-time job with the prestigious Wall Street firm Goldstein Smith. There, she'd manage multi-million dollar projects, enjoy long corporate lunches and party at the hottest nightclubs in New York City. Unfortunately, reality is quite different—Riya's boss is determined to make her life hell; her unskempt colleagues fall miserably to live up to her image of I-bankers; and, as an intern, the hours are long and stressful. Having escaped the cut-throat world of investment banking, Gautam Pandey, I-banker-turned-financial-journalist, seems to be the only contented one around. Now it's Riya's turn to decide where her happiness lies—within the hallowed halls of Goldstein, or in the world outside. Written with refreshing candour, There's No Love on Wall Street by Ira Trivedi lays bare the seductive world of investment banking where expense accounts always come with strings attached. No more ill-fitting lab coats or smelly latex gloves! I would be a banking babe, don a sexy business suit and shiny pearls, attend cocktail receptions and fancy dinners.
