[Making Sense of Men's Magazines](#) Dec 24 2021 The last decade has witnessed the phenomenal growth of the men's magazine market, raising important questions of a more general kind. What is the significance of the rise of men's lifestyle magazines for gender politics? Are we witnessing a backlash against feminism or are they merely harmless fun? Why did 'new man' give way to the 'new lad'? What political issues do these questions raise within the context of the information society? Making Sense of Men's Magazines is an original study which enables us to understand the appeal of men's magazines, the ways in which they are constructed and understood, and many of the complex questions they raise for both men and women. Through interviews with editors and key production staff, an analysis of the content of men's magazines and focus group interviews, this work seeks to 'make sense' of this cultural phenomenon. The authors give particular attention to the gendered and commercial character of men's magazines, and the implications they have for the way we understand capitalism, masculinity and consumption in the modern world. This book makes a major contribution to understanding the role of magazines in contemporary culture and will be essential reading for students of sociology, media and cultural studies and gender studies.

Traditions Redirecting Contemporary Indonesian Cultural Productions Oct 10 2020 This volume is the result of a conference held in October 2015 in connection with the Frankfurt Book Fair discussing developments that are considered important in contemporary Indonesian cultural productions. The first part of the book reflects on the traumatic experiences of the Indonesian nation caused by a failed coup on October 1, 1965. In more general theoretical terms, this topic connects to the field of memory studies, which, in recent decades, has made an academic comeback. The focus of the chapters in this section is how certain, often distressing, events are represented in narratives in a variety of media that are periodically renewed, changed, rehearsed, repeated, and performed, in order to become or stay part of the collective memory of a certain group of people. The second part of the book explores how forces of globalisation have impacted upon the local and, linguistically surprisingly, rather homogeneous cultural productions of Indonesia. The main strands of inquiry in this second section are topics of global trends in religion, responses to urban development, the impact of popular literary developments, and how traditions are revisited in order to come to terms with international cultural developments.

MEDIA & MUSLIM SOCIETY Jul 07 2020 The book contains twelve essays on topics related to the subject "Media and Muslim Society." It is compiled as a textbook for students taking the course of the same title at the International Islamic Universiti Malaysia. Thus, the topics selected are those covered in the course. The topics include media at various stages in the development of a Muslim society, the role of communication in a Muslim society, media control, media

effects on Muslim society and the roles of ulamas in influencing the media. A special topic on Muslim society is also included at the beginning of the book. The contributors of these essays are experts in their field. They have also helped developed and taught the course. In this first edition, most of the examples and discussions are based on two Muslim societies, i.e., Peninsular Malaysia and Indonesia. This is understandable because most of the writers in this first edition are from the Malay world. We hope to include examples from other Muslim societies in the next edition when we get contribution from writers from other parts of the Muslim world. Finally, we welcome criticisms and suggestions to improve this book from our readers. We shall certainly consider these criticisms and suggestions in the next edition

Saman Jul 19 2021 Saman is a story filtered through the lives of its feisty female protagonists and the enigmatic "hero" Saman. It is at once an exposé of the oppression of plantation workers in South Sumatra, a lyrical quest to understand the place of religion and spirituality in contemporary lives, a playful exploration of female sexuality and a story about love in all its guises, while touching on all of Indonesia's taboos: extramarital sex, political repression and the relationship between Christians and Muslims. Saman has taken the Indonesian literary world by storm and sold over 100,000 copies in the Indonesian language, and is now available for the first time in English. ABOUT THE AUTHOR Ayu Utami was born in Bogor, grew up in Jakarta and obtained her bachelor degree in Literature Studies from University of Indonesia. She worked as a journalist for *Matra*, *Forum Keadilan*, and *D&R*. Not long after the New Order regime closed *Tempo*, *Editor*, and *Detik*, she participated in the founding of Indonesia's Alliance of Independent Journalists to protest the closure of those three weeklys. Currently she is working for the cultural journal *Kalam*, and at *Teater Utan Kayu*. Saman was awarded the Prince Claus Award in the year 2000.

Majalah Melayu Selepas Perang: editorial, Sirkulasi dan Iklan (Penerbit UM) Nov 03 2022 Penerbitan majalah dapat dilakukan dengan sempurna seandainya penerbit memberikan pertimbangan yang saksama kepada tiga elemen yang menjadi tiangnya, iaitu editorial, sirkulasi, dan iklan. Kandungan editorial bertanggungjawab untuk menarik pembaca dan dengan demikian akan meningkatkan sirkulasi. Peningkatan sirkulasi pula selalunya mendorong peningkatan pendapatan daripada iklan. Untuk membolehkan majalah bertahan di pasaran, ketiga-tiga tiang haruslah bantu-membantu, samalah seperti sebuah kerusi; untuk selesa diduduki, masing-masing tiang kerusi mestilah kukuh dan seimbang. Jika salah satu tiang lemah atau tidak seimbang dengan yang lain, kerusi akan goyang dan mungkin tumbang. Bagaimanakah situasi editorial majalah Melayu selepas Perang? Mampukah kandungan editorial majalah menarik perhatian pembaca sehingga sirkulasinya meningkat? Bagaimanakah pula dengan sambutan pengiklan terhadap ruang-ruang iklan yang disediakan oleh majalah Melayu? Dan akhirnya, adakah penerbitan majalah Melayu pada periode itu menguntungkan? Inilah antara persoalan yang akan dikupas dalam buku ini.

Dari Melayu Menjadi Indonesia Apr 15 2021 Buku ini merupakan kumpulan tulisan dari sejumlah peneliti dan penulis dengan latar belakang disiplin keilmuan yang beragam yang mencoba meneroka keindonesiaan dari sudut pandang kemelayuan. Melayu dalam konteks buku ini lebih dipahami sebagai sebuah kelompok bangsa penutur bahasa Austronesia yang persebarannya sangat luas, yang mendiami di hampir seluruh kawasan Asia Tenggara, bahkan hingga Fiji dan Hawai. Dengan merujuk pada pengertian tersebut, tulisan-tulisan di buku ini tidak hendak memasuki medan perdebatan untuk menguji seberapa valid kebenaran pengertian tersebut, namun justru hendak menjelajahi sejauhmana ia termanifestasikan dalam bentangan sejarah Indonesia modern. Sebagai buku yang disusun dari beragam tema dan latar belakang kajian yang sebelumnya terbit secara terpisah, dan tidak diniatkan sejak awal untuk dikumpulkan lalu diterbitkan, buku ini lebih menyerupai sebuah mozaik, tidak menawarkan kekhususan yang mendalam, melainkan menyuguhkan panorama yang beragam dan menyebar. Keragaman tema dan pendekatan yang diusung buku ini jika dibaca sebagai ' kemungkinan ' pembacaan, justru dapat menjadi informasi awal berharga yang sanggup memperluas cakrawala pandang kita tentang betapa kompleks dan luasnya realitas ' kemelayuan ' juga ' keindonesiaan ' itu sendiri yang acap kali kita tanggap sebagai realitas yang sederhana dan monoton.

Challenging Authoritarianism in Southeast Asia Jun 25 2019 Challenging Authoritarianism in Southeast Asia is one of the first substantial comparative studies of contemporary Indonesia and Malaysia, homes to the world's largest Muslim population. Following the collapse of New Order rule in Indonesia in 1998, this book provides an in-depth examination of anti-authoritarian forces in contemporary Indonesia and Malaysia, assessing their problems and prospects. The authors discuss the roles played by women, public intellectuals, arts workers, industrial workers as well as environmental and Islamic activists. They explore how different forms of authoritarianism in the two countries affect the prospects of democratization, and examine the impact and legacy of the diverse social and political protests in Indonesia and Malaysia in the late 1990s.
