Secrets of the World's Worst Matchmaker Sep 04 2022 Colton is Juno's best friend. He'd usually be the one she goes to for advice on what do you do when you fall in love with your best Imagine you're a matchmaker and you realize too late you're in love with your childhood best friend. You only have yourself to blame—you're the one who matched him and now he's engaged to be married. When you find yourself in this position there's a few secrets you're going to need to keep... Secret #1 – Smile when he tells you the happy news, even if your heart cracks in half. Secret #2 – Don't compare yourself to his beautiful French fiancée. You're just as beautiful. Secret #3 – Don't tag along to the tux fitting with him alone. Just no. Secret #4 – Don't help him learn to dance to his wedding song. Secret #5 – Erase all memories of the two of you through the years when lines blurred for even the briefest of moments. And the one you never saw coming... Secret #6 – Definitely, don't stand and object—someone else might just do it for you.

War Beneath the Sea Oct 13 2020 "Peter Padfield is the best British naval historian of his generation now working. [This] book . . . will now become the standard work on the subject."—John Keegan "A fascinating and great contribution to the entire lore of submarines."—Capt. Edward L. Beach, USN (ret.), author of *Run Silent, Run Deep* *War Beneath the Sea* is the definitive account of one of the most turbulent—and crucial—chapters of World War II. This is the first book to cover all the major submarine campaigns of the war: British, American, German, Japanese, and Italian. Padfield's suspense-filled battle accounts vividly capture the tension and challenge of war beneath the sea. PETER PADFIELD (England) is a leading naval and military historian. He is the author of *Guns at Sea*, *Armada*, *Tides of Empire*, and *Donitz: The Last Furler*.

Impact Evaluation in Practice, Second Edition Jan 28 2022 The second edition of the *Impact Evaluation in Practice* handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.
