Now, master crime writer Joseph Wambaugh reconstructs the case from its roots, recounting the details, drama, players and pawns in this bizarre crime that shocked the nation and tore apart a respectable suburban town. The massive FBI and state police investigation ultimately centered on two men. Dr. Jay C. Smith--By day he was principal of Upper Merion High School where Susan Reinert taught. At night he was a sadist who indulged in porno, drugs, and weapons. William Bradfield--He was a bearded and charismatic English teacher and classics scholar, but his real genius was for juggling women--three at a time. One of those women was Susan Reinert. What's Done in Darkness May 05 2020 Abducted as a teenager, a woman must now confront her past and untangle the truth of what really happened to her in this dark thriller from the author of *The Wolf Wants In*. ONE OF THE BEST BOOKS OF THE YEAR: St. Louis Post-Dispatch, Self • “Compulsively, propulsively readable.”—Laura Lippman, bestselling author of *Lady in the Lake* Seventeen-year-old Sarabeth has become increasingly rebellious since her parents found God and moved their family to a remote Arkansas farmstead where she’s forced to wear long dresses, follow strict rules, and grow her hair down to her waist. She’s all but given up on escaping the farm when a masked man appears one stifling summer morning and snatches her out of the cornfield. A week after her abduction, she’s found alongside a highway in a bloodstained dress—alive—but her family treats her like she’s tainted, and there’s little hope of finding her captor, who kept Sarabeth blindfolded in the dark the entire time, never uttering a word. One good thing arises from the horrific ordeal: a chance to leave the Ozarks and start a new life. Five years later, Sarabeth is struggling to keep her past buried when investigator Nick Farrow calls. Convinced that her case is connected to the strikingly similar disappearance of another young girl, Farrow wants Sarabeth’s help, and he’ll do whatever it takes to get it, even if that means dragging her back to the last place she wants to go—the hills and hollers of home, to face her estranged family and all her deepest fears. In this riveting novel from Laura McHugh, blood ties and buried secrets draw a young woman back into the nightmare of her past to save a missing girl, unaware of what awaits her in the darkness.

Meanwhile, a different murderer is on Zoe's mind. Rod Glover has been tormenting her since childhood, and his latest attack is a threatening photo of himself with Zoe's sister. Into the Darkness (Darkness, 1) Sep 01 2022 I'd always been different. I saw objects in the night where others saw emptiness. Large, human shaped shadows, fierce yet beautiful, melting into the darkness. I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street, unshakable confidence in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine, I was entrapped. No one had noticed him. He'd been right there, just beyond the light, but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open, dangers hurled at me like throwing knives, I couldn't stop until I unraveled his true identity. I just had to know.

Trusting God in the Darkness Aug 08 2020 It's easy for us to trust God when life is going well. In times of intense suffering, many of us ask, Why does God allow these things to happen? In the Bible, Job is known for facing intense personal suffering. Yet, upon closer examination, we find the book of Job is about more than just Job's calamities; it's a story about God and his relationship to Christ and his people in their suffering. In this helpful guide, Christopher Ash helps us explore the question, Where is God in the midst of suffering? As we read, meditate, and pray through the book of Job, we will find assurance that God will be with us in Christ through every season and trial.

A Light in the Darkness Aug 27 2019 From National Book Award Finalist Albert Marrin comes the moving story of Janusz Korczak, the heroic Polish Jewish doctor who devoted his life to children, perishing with them in the Holocaust. Janusz Korczak was more than a good doctor. He was a hero. The Dr. Spock of his day, he established orphanages run on his principle of honoring children and shared his ideas with the public in books and on the radio. He famously said that "children are not the people of tomorrow, but people today." Korczak was a man ahead of his time, whose work ultimately became the basis for the U.N. Declaration of the Rights of the Child. Korczak was also a Polish Jew on the eve of World War II. He turned down multiple opportunities for escape, standing by the children in his orphanage as they became confined to the Warsaw Ghetto. Dressing them in their Sabbath finest, he led their march to the trains and ultimately perished with his children in Treblinka. But this book is much more than a biography. In it, renowned nonfiction master Albert Marrin examines not just Janusz Korczak's life but his ideology of children: that children are valuable in and of themselves, as individuals. He contrasts this with Adolf Hitler's life and his ideology of children: that children are nothing more than tools of the state. And throughout, Marrin draws readers into the Warsaw Ghetto. What it was like. How it was run. How Jews within and Poles without responded. Who worked to save lives and who tried to enrich themselves on other people's suffering. And how one man came to represent the conscience and the soul of humanity. Filled with black-and-white photographs, this is an unforgettable portrait of a man whose compassion in even the darkest hours reminds us what is possible.

Light in the Darkness Oct 22 2021 As featured in THE EDGE OF ALL WE KNOW - the new Netflix documentary about Black Holes For readers of Stephen Hawking, a fascinating account of the universe from the perspective of world-leading astrophysicist Heino Falcke, who took the first ever picture of a black hole. 10th April 2019: a global sensation. Heino Falcke, a man "working at the boundaries of his discipline and therefore at the limits of the universe" had used a network of telescopes spanning the entire planet to take the first picture of a black hole. Light in the Darkness examines how mankind has always looked to the skies, mapping the journey from millennia ago when we turned our gaze to the heavens, to modern astrophysics. Heino Falcke and Jorg Romer entertainingly and compellingly chart the breakthrough research of Falcke's team, an unprecedented global community of international colleagues developing a telescope complex enough to look directly into a black hole - a hole where light vanishes, and time stops. What does this development mean? Is this the beginning of a new physics? What can we learn from this about God, the world, and ourselves? For Falcke, astrophysics and metaphysics, science and faith, do not exclude one another. Black Hole is both a plea for curiosity and humility; it's interested in both what we know, and the mysteries that remain unsolved.

In the Darkness of the Night Sep 20 2021 New into paperback! In the Darkness of the Night takes the reader through the sounds that a young child hears whilst curled up in bed waiting to fall asleep. From the familiar, reassuring noises of the family and the home including muffled voices and humming pipes. Next we move out into the garden, with the snuffling and screeching of foxes. And then suddenly what's that? Zoom! A car speeds by and a distant siren sounds. Then the illustrations expand to the city beyond, as we see those who work throughout the night, such as cleaners or nurses. And finally, as the sun rises, the early morning sounds begin with the birdsong, clatter of dustbins and letterboxes as the city wakes up again. Emily Rand takes us on a gentle journey through the night, looking at all the sounds and activity that happen whilst you're tucked up warm in your bed!
