Levels of headings: there are a lot of rules to follow when it comes to styling the header and title page, but there are even more rules when it comes to styling the various headings and sections in your research.

APA style: APA format in text citations online writing lab, Sep 14, 2021. This short video will focus on the basic set-up for in-text citations in APA format. It is first helpful to get an idea about why in-text citations are important and when they should be used. In APA, you should use citations in parentheses within the text to let your audience know when you have borrowed information and where that information has come from.
