Sarah Anna Glover Jun 05 2020 In Sarah Anna Glover: Nineteenth Century Music Education Pioneer, Jane Southcott explores the life and pedagogy of Sarah Anna Glover, the female music education pioneer of congregational singing (psalmody) and singing in nineteenth-century schools. Glover devoted her life to the creation and propagation of a way of teaching class music that was meticulously devised, musically rigorous, and successfully promulgated. Southcott analyzes Glover's methods, history, and memory, and works to correct inaccuracies and misrepresentations that have emerged since Glover's death.

Mozart's Women Dec 12 2020 Mozart was fascinated, amused, aroused, hurt, and betrayed by women. This biography looks at his interaction with each, starting with his family (his mother, Maria Anna and beloved and talented sister, Nannerl), and his marriage (which brought his 'other family', the Weber sisters). It examines his relationships with his artists.

The Devil's Music Oct 02 2022 It is 1958 and the Sputnik satellite has taken a dog up into space; back on earth, five-year-old Andy has a new sister, Elaine - a baby who, his father insists, is 'not quite all there'. While his parents argue over whether or not to send Elaine away, Andy sleeps beside her cot each night, keeping guard and watching as his mother - once an ambitious, energetic nurse - twists away into her private, suffocating sadness. Knots keep treasures safe, Andy's rope-maker grandfather tells him, and, as he listens to stories of the great Harry Houdini, Andy learns the Carrick Bend, the Midshipman's Hitch and the Monkey's Fist. Then a young painter, hired to decorate the family's house, seems to call Andy's mother back from the grief in which she is lost. But one day, at The Siding - the old railway carriage that serves as the family's seaside retreat - Andy is left in charge of his baby sister on a wind-chopped beach, where he discovers that not all treasures can be kept safe for ever. Three decades later Andrew returns from self-imposed exile to The Siding, the place where his life first unravelled. Looking back on the broken strands of his childhood, he tries, at last, to weave them together, aided by his grandfather's copy of The Ashley Book of Knots and the arrival of a wild-haired, tango-dancing sculptor - a woman with her own ideas about making peace with the past.

Lunch With The Wild Frontiers Oct 29 2019 Phill Savidge is widely credited as being the main instigator of the Britpop music movement that swept the UK in the mid-1990s. Savidge was co-founder and head of legendary public relations company Savage & Best, the company that represented most of the artists associated with the scene, including Suede, Pulp, The Verve, Elastica, Kula Shaker, Spiritualized, Menswear, The Auteurs, and Black Box Recorder. Savidge suggests that Britpop came about "by accident" because he refused to represent any American bands. He subsequently ended up with an extremely accessible, media-friendly roster that "lived 'round the corner" and included the most exciting press-worthy acts of the era. His unique experience at the epicentre of Britpop led to many intimate, not entirely self-congratulatory encounters with a who's who of popular culture — including Brett Anderson, Damon Albarn, Roy Orbison, David Bowie, Joe Strummer, Lou Reed, Michael Barrymore, Richard Ashcroft, Andrew Lloyd Webber, Mick Jagger, George Lucas, Damien Hirst, and Dave Stewart, among others. But did he really Sellotape a cassette of Suede's Animal Nitrates single to a purple velvet cushion — with a note that said "another great disappointment" — and then bike it to the NME? And could he and Jarvis Cocker really have fallen out simply because a journalist thought he was more glamorous than the Pulp front man? If you've ever wondered what it's like to represent Hirst, Cocker, and The Verve in the same decade, and

then wake up in bed with Keith Allen in the Ritz in Paris — courtesy of Mohammed Al Fayed — then you should read this book. Imagine David Sedaris with a hangover and an expense account and you're halfway to appreciating the delinquent delights of *Lunch With The Wild Frontiers*.

Jane Austen and the Theatre Jan 31 2020 Jane Austen was fascinated by theatre from her childhood. As an adult she went to the theatre whenever opportunity arose. Scenes in her novels often resemble plays, and recent film and television versions have shown how naturally dramatic her stories are. Yet the myth remains that she was 'anti-theatrical', and readers continue to puzzle about the real significance of the theatricals in *Mansfield Park*. Penny Gay's book describes for the first time the rich theatrical context of Austen's writing, and the intersections between her novels and contemporary drama. Gay proposes a 'dialogue' in Austen's mature novels with the various genres of eighteenth-century drama - laughing comedy, sentimental comedy and tragedy, Gothic theatre, early melodrama. She re-reads the novels in the light of this dialogue to demonstrate Austen's analysis of the pervasive theatricality of the society in which her heroines must perform.

Thank You for the Music Mar 15 2021 This collection of short stories, linked by the theme of music, is a gorgeous follow-up to *One Heart*, award-winning writer Jane McCafferty's critically acclaimed debut novel. In 14 original stories, Jane McCafferty illuminates modern life weaving her love of music throughout the lives and stories of her characters. From two middle-aged strangers who meet in an empty baseball stadium during a rainstorm, to a 23-year-old man who brings his 62-year-old wife home to meet his parents, to a young couple who live next door to an unemployed clown and his wife, these stories are at once unexpected and enthralling.

The Jane Colt Trilogy Jul 27 2019 Artificial Absolutes Jane Colt is just another recent college grad working as an Interstellar Confederation office drone—until the day she witnesses her best friend, Adam, kidnapped by a mysterious criminal. An extensive cover-up thwarts her efforts to report the crime, shaking her trust in the authorities. Only her older brother, Devin, believes her account. Devin hopes to leave behind his violent past and find peace in a marriage to the woman he loves. That hope shatters when he discovers a shocking secret that causes him to be framed for murder. With little more than a cocky attitude, Jane leaves everything she knows to flee with Devin, racing through the most lawless corners of the galaxy as she searches for Adam and proof of her brother's innocence. Her journey uncovers truths about both of them, leading her to wonder just how much she doesn't know about the people she loves. Synthetic Illusions Illusion is the only reality. Jane's new career as a composer is a dream come true, but her blossoming relationship with Adam is marred by his terrifying nightmares. When Jane receives a warning that a shadowy agency is targeting Adam's seminary school, she rescues him in the nick of time, but the only way she can protect him from such a powerful enemy is to run. In a shocking betrayal, her brother wasn't the one who warned her about the attack on Adam. Instead, Devin was leading it. As Jane struggles to keep one step ahead of Devin, Adam's exhaustion gives way to horror: His nightmares have begun to touch the real world. Jane can't abandon Adam to a fate worse than death, and far more than Adam's life hangs in the balance. As Jane pushes further into the dark unknown, she must challenge everything she once believed in, and she faces the most wrenching decision of her life: choosing between the two people she loves most. Virtual Shadows Life on the galaxy's lawless Fringe isn't easy. Nevertheless, Jane doesn't regret sacrificing her comfortable life to protect the young man she loves. But the very place she took him for safety is slowly killing him, and her world is shaken again when her brother, Devin, reenters her life. Determined to discover the identity of those behind a vicious bombing near his agency's secret base, Devin defies his superiors and ventures into the dark corners of the universe. When he learns that the attackers have their crosshairs on the mysterious woman who saved his life, the mission becomes personal. Unable to remain in hiding and unwilling to stand by while danger looms, Jane joins her brother on his quest and battles a chilling adversary hell-bent on destroying her homeworld. Entangled in a web of interstellar intrigue, virtual deception, and murderous agendas, she races to find answers—before the enemy wreaks devastation upon all she once knew.

Mix Tape Sep 01 2022 'This grown-up love story is gorgeously written and romantic without being sentimental' Good Housekeeping 'This tender tale of second chances... is a nostalgic delight' Sunday Mirror You never forget the one that got away. Daniel was the first boy to make Alison a mix tape. But that was years ago and Ali hasn't thought about him in a very long time. Even if she had, she might not have called him 'the one that got away'; after all, she'd been the one to run. Then Dan's name pops up on her phone, with a link to a song from their shared past. For two blissful minutes, Alison is no longer an adult in Adelaide with temperamental daughters; she is sixteen in Sheffield, dancing in her skin-tight jeans. She cannot help but respond in kind. And so begins a new mix tape. Ali and Dan exchange songs - some new, some old - across oceans and time zones, across a lifetime of different experiences, until one of them breaks the rules and sends a message that will change everything...

Readers have fallen in love with Mix Tape! 'I laughed, I cried, I listened to the music. I wanted to know the characters in real life.' 'This book is beautiful. The writing is so emotive and evocative.' 'I LOVED this book - the music in it brought back so many memories from my teenage years.' 'Mix Tape is my idea of story heaven. I loved it. Really loved it. I'm telling everyone I know about it.' 'What a wonderful book! Tenderly written and with characters that are so different but all make their own mark.'

Song analysis of "Written impossible for human" by Jane Zhang Aug 27 2019 Essay from the year 2018 in the subject Musicology - Miscellaneous, language: English, abstract: This paper will analyze the song 'written impossible for human' by charismatic Jane Zhang. The song lies in the binary-AB form of music. It is easy to notice that the song consists of two meaningful but different parts that is the intro or the initial part and the finisher. Notably, the initial parts of the song bring up the lyrics and the instrumental into content while the second and the final part consist of artistic vocals and hard rock pop instrumentals.

Please Don't Stop the Music Nov 03 2022 How much can you hide? Jemima Hutton is determined to build a successful new life and keep her past a dark secret. Trouble is, her jewellery business looks set to fail - until enigmatic Ben Davies offers to stock her handmade belt buckles in his guitar shop and things start looking up, on all fronts. But Ben has secrets too. When Jemima finds out he used to be the front man of hugely successful Indie rock band Willow Down, she wants to know more. Why did he desert the band on their US tour? Why is he now a semi-recluse? And the curiosity is mutual - which means that her own secret is no longer safe...

Jane Austen Jun 25 2019 In this Christian Encounter Series biography, author Peter J. Leithart explores the life of Jane Austen, beloved author of such books as *Pride and Prejudice* and *Emma*. Jane Austen is now what she never was in life, and what she would have been horrified to become—a literary celebrity. Austen's novels achieved a timelessness that makes them perennially appealing. Kipling and Churchill found solace in her writings during times of war and illness. Mark Twain had a love/hate relationship with her work. And then, there's our celebrity culture: the television hit *Pride and Prejudice*, the award-winning 1995 film *Sense and Sensibility*, and all the remakes and prequels and sequels. Modern-day Jane Austen fans just can't seem to leave her characters alone. "Janeia" is the author's term for the mania for all things Austen. This biography captures the varied sides of Austen's character and places her Christian faith in a more balanced light and with less distortion than has been achieved previously. It is a delightful journey through a life spent making up stories that touched the lives of millions. Jane Austen "I was riveted by Leithart's excellent biography of Austen, the woman who profoundly influenced me to search for the universal truth in my novels. I was able to see the flesh-and-blood woman I've admired since my teens. Highly recommended for Janeites like me!" --Colleen Coble, best-selling author of *The Lightkeeper's Daughter*

Jane Hicks Gentry Dec 24 2021 "Winner of the North Carolina Society of Historians Award Jane Hicks Gentry lived her entire life in the remote, mountainous northwest corner of North Carolina and was descended from old Appalachian families in which singing and storytelling were part of everyday life. Gentry took this tradition to heart, and her legacy includes ballads, songs, stories, and riddles. Smith provides a full biography of this vibrant woman and the tradition into which she was born, presenting seventy of Gentry's songs and fifteen of the "Jack" tales she learned from her grandfather. When Englishman Cecil Sharp traveled through the South gathering material for his famous *English Folk Songs from the Southern Appalachians*, his most generous informant was Jane Hicks Gentry. But despite her importance in Sharp's collection, Gentry has remained only a name on his pages. Now Betty Smith, herself a folksinger, brings to life this remarkable artist and her songs and tales.

Lark Song Feb 11 2021 They want to move on—but one terrible truth could shatter it all. As a widowed mother of three, new love seems impossible for Freya—until she meets Duncan, and suddenly she feels alive again. But there are secrets afflicting Freya's family, some more sinister than others, that could destroy their relationship before it has a chance to flourish. While Freya's older children are less than welcoming, six-year-old Sophie helps Duncan find his place in the family—but even Sophie harbours fears that threaten to overshadow any chance of a new start. The past is hard to leave behind when pictures of Freya's idolised late husband hang in every room, and the more Duncan tries to find the source of Sophie's anxiety, the more he is convinced that Reuben was not the perfect husband and father Freya remembers. Tormented by concern and his own insecurity, Duncan begins an obsessive investigation into the dead man's past. But when his good intentions lead him in too deep, he risks destroying everything he has built with Freya—and the whole family's second chance at happiness.

Song of the Sea Sep 28 2019 Jane Dolby fell in love with a fisherman - the most dangerous peacetime occupation that

exists - leading her to find a place in a traditional British world that many have forgotten. Jane was not expecting to fall in love, but she did with Colin, a local fisherman in her hometown. Then one day she faces the loss every fisherman's wife fears: the disappearance of her husband when his boat overturns at sea. Three days later, the boat is finally dredged up, without Colin. As the same time as Jane struggles with her grief, she must fight to keep a roof over her family's heads. With the help and kindness of friends and strangers, the fishing world rallies around one of their own and in time, Jane forms a plan to give something back to the community that has helped her. Jane brings together 40 women from fishing communities up and down the country to release a charity single, founding The Fishwives Choir, and gives a voice to women previously unheard. *SONG OF THE SEA* is the true story of one woman's love and loss, and after years in which grief stole her ability to sing, she finds her own voice again.

Cry to Dream Again Apr 03 2020 In 1930s Greater London, Shirley is a talented ballerina who dreams of becoming a principal dancer at the Sadler's Wells Ballet Company. Yet one summer, on the way back from staying with her grandparents in France, she meets a handsome young man, Alan, for a fleeting moment and her life changes for ever. Finding him becomes an obsession for Shirley, who now longs to fulfil her dreams in the ballet simply so that he might see her name in lights and know where to find her. With the outbreak of the Second World War, and those she loves in danger, Shirley's priority becomes to help in the war effort, but with Alan appearing once more in her life, and the war threatening to part them for a second time, she knows that she cannot cope if she were to lose him again.

Only One Woman Nov 30 2019 Two women, one love story. June 1968. Renza falls head over heels for heartthrob guitarist Scott. But, after a romantic summer together, they are torn apart when Renza's family moves away. December 1968. On the night she believes to be her last, Stella meets Scott at a local dance. He's the most beautiful boy she's ever seen and if this one night is all they have, she'll take it. As the colourful and final year of the sixties dawns, the question is: can there be only one woman for Scott?

Women Making Music Jun 17 2021 "Do look after my music!" Irene Wienawska Polowski exclaimed before her death in 1932. And from the urgency of that sentiment the authors here have taken their cue to reveal and "look after" the previously neglected contributions of women throughout the history of Western art music. The first work of its kind, *Women Making Music* presents biographies of outstanding performers and composers, as well as analyses of women musicians as a class, and provides examples of music from all periods including medieval chant, Renaissance song, Baroque opera, German lieder, and twentieth-century composition. Unlike most standard historical surveys, the book not only sheds light upon the musical achievements of women, it also illuminates the historical contexts that shaped and defined those achievements.

Jane Austen and the Clergy Mar 03 2020 Jane Austen was the daughter of a clergyman, the sister of two others and the cousin of four more. Her principal acquaintances were clergymen and their families, whose social, intellectual and religious attitudes she shared. Yet while clergymen feature in all her novels, often in major roles, there has been little recognition of their significance. To many readers their status and profession is a mystery, as they appear simply to be a sub-species of gentlemen and never seem to perform any duties. Mr Collins in *Pride and Prejudice* is often regarded as little more than a figure of fun. Astonishingly, *Jane Austen and the Clergy* is the first book to demonstrate the importance of Jane Austen's clerical background and to explain the clergy in her novels, whether Mr Tilney in *Northanger Abbey*, Mr Elton in *Emma*, or a less prominent character such as Dr Grant in *Mansfield Park*. In this exceptionally well-written and enjoyable book, Irene Collins draws on a wide knowledge of the literature and history of the period to describe who the clergy were, both in the novels and in life: how they were educated and appointed the houses they lived in and the gardens they designed and cultivated; the women they married; their professional and social context; their income, their duties, their moral outlook and their beliefs. *Jane Austen and the Clergy* uses the facts of Jane Austen's life and the evidence contained in her letters and novels to give a vivid and convincing portrait of the contemporary clergy.

Mozart's Women Mar 27 2022 Mozart was fascinated, amused, aroused, hurt, and betrayed by women. He loved and respected them, composed for them, performed with them. This unique biography looks at his interaction with each, starting with his family (his mother, Maria Anna and beloved and talented sister, Nannerl), and his marriage (which brought his 'other family', the Weber sisters). His relationships with his artists are examined, in particular those of his operas, through whose characters Mozart gave voice to the emotions of women who were, like his entire female acquaintance, restrained by the conventions and structures of eighteenth-century society. This is their story as well as his -- and shows once again that a great part of the composer's genius was in his understanding and musical expression of human nature. Evocative and beautifully written, *Mozart's Women* illuminates the music, the man, and above all the women who inspired him. 'Jane Glover has pulled off a coup des livres with her fresh take on Mozart's life and work' *Sunday Telegraph* 'Readable, informative and moving...Her passion for the music shines through this touching, vividly told story' *Sunday Times*

Jane Austen and Mozart Jan 25 2022 Literary critics such as Virginia Woolf and Lionel Trilling had noted intuitive affinities between the art of Jane Austen and that of Mozart, but this 1983 book was the first to compare their artistic style and individual works in a comprehensive way. Extended comparisons are of course difficult because of the intrinsic differences between prose fiction and instrumental music. In *Jane Austen and Mozart*, Robert K. Wallace has succeeded in making illuminating comparisons of spirit and form in the work of these two artists. His book celebrates the achievements of Austen and Mozart by comparing their stylistic significance in the history of their separate arts and by offering comparisons of three Austen novels with three Mozart piano concertos. In exploring precise similarities between the two artists, Wallace shows how the art and criticism of one field can illuminate the art and criticism of another. Above all, *Jane Austen and Mozart* attempts to show the degree to which three masterpieces by each artist have comparable meaning and value.

Handel in London Apr 27 2022 'How refreshing, to read a book about music written for a music lover and not a musicologist. In clear, lucid, entertaining prose, Jane Glover makes those of us who lack musical literacy better understand and appreciate Handel's divinity.' - Donna Leon, author of *Handel's Bestiary* and the Inspector Brunetti mysteries. *Handel in London* tells the story of a young German composer who in 1712, followed his princely master to London and would remain there for the rest of his life. That master would become King George II and the composer was George Frideric Handel. Handel, then still only twenty-seven and largely self-taught, would be at the heart of musical activity in London for the next four decades, composing masterpiece after masterpiece, whether the glorious coronation anthem, *Zadok the Priest*, operas such as *Giulio Cesare*, *Rinaldo* and *Alcina* or the great oratorios, culminating, of course, in *Messiah*. Here, Jane Glover, who has conducted Handel's work in opera houses and concert halls throughout the world, draws on her profound understanding of music and musicians to tell Handel's story. It is a story of music-making and musicianship, of practices and practicalities, but also of courts and cabals, of theatrical rivalries and of eighteenth-century society. It is also, of course, the story of some of the most remarkable music ever written, music that has been played and sung, and loved, in this country - and throughout the world - for three hundred years.
