**Atonement** Oct 24 2021 From the

Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its

start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

*The Snow Child* Jan 15 2021 In this magical debut, a couple's lives are changed forever by the arrival of a little girl, wild and secretive, on their

snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel.

Childless, they are drifting apart -- he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season's first snowfall, they build a child out of snow. The next morning the snow child is gone -- but they glimpse a young, blonde-haired girl running through the trees.

This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow

survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful, violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.

*Shame* Jul 21 2021  
The novel that set the stage for his modern classic, *The Satanic Verses*, *Shame* is Salman Rushdie's phantasmagoric

epic Omar Khayyam Shakil had three mothers who shared everything. They shared the symptoms of pregnancy, they shared the son that they all claim to have borne on the same night. Raised at their six breasts, Omar's mothers teach him to live a life without shame. And it is training that proves very useful when he leaves his mothers' fortress and makes the fateful mistake of falling in love. For he finds himself an unwitting player in an ongoing duel between the families of two men - one a celebrated wager of war, the other a debauched lover of pleasure - living in a world caught between honour and

humiliation, where a moment of shame could prove fatal. 'Shame is every bit as good as *Midnight's Children*. It is a pitch-black comedy of public life and historical imperatives' *The Times*

exams--worry never changes anything-- instead, try and see them as an opportunity to show off what you know. Practising exam papers is a good way to revise and, because this exam is still relatively new, there aren't that many past papers out there. The papers in this book have been created to try and replicate the exam experience for you. Some people might suggest using your literature texts for practice, but the whole point of this exam is that it is unseen: it's best to work on extracts you've never read before. There is more than one way to tackle an exam paper. You could sit it in one go and complete it in exam

conditions from start to finish. You could go at the papers gently, with modelled examples in front of you to help (check out the videos at [youtube.com/mrbruff](https://www.youtube.com/mrbruff)). Another method is to try three question threes all in a row, slide tackling your way through the paper. You might want to complete all of the Section B questions before beginning Section A. However you do it, take your time, and use the indicative content at the end to check your work. The indicative content isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult so, although these are

good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam: it is a set of practice papers. For a detailed question-by-question guide to AQA English language, you should pick up a copy of 'Mr Bruff's Guide to GCSE English Language' in paperback on Amazon, or eBook at [mrbruff.com](http://mrbruff.com). Please note: we are not endorsed by or affiliated to the AQA exam board. We are simply two experienced teachers creating resources.

attention on the things that pile on the marks rather than wasting time on vague or irrelevant details. Learn how to:- Approach each of the Section A questions in the right way so that you get right down to the important stuff and spend as little time as possible on the questions that award the lowest marks;- Understand the difference between each of the questions and what the examiner is looking for when they mark (aka assessment objectives);- Plan the longer questions so that your writing is tight and controlled and easy to read;- Think originally when writing for Section

B, so that your creative responses aren't the same as everyone else's;- Write in such a way as to give yourself the best possible chance of a Grade 8 or 9. Darren Coxon has been teaching English for more than twenty years. In that time he estimates he's put at least 1,000 students through GCSE exams. He can count on the fingers of one hand the number who haven't obtained a Grade 5 or above (and that was always teaching in non-selective schools). He puts this success down to a unique method which he'll share with you inside these pages. By buying this book you'll also have access to the

Examiner's Head Facebook community, for further support and guidance. So come with him on a journey inside the head of the examiner! He's with you all the way.
