The DOA Who Made It! Sep 08 2020 It was a warm, sunny, Tuesday afternoon. I was waiting at the red light at a busy interchange when another motorcycle pulled up next to me, in the same lane, also now waiting to go home, or to a friend's house, or maybe shopping. The very next thing he did was watch me fly like a circus aerial act, bouncing off car roof tops, and sailing all the way across the huge intersection. With no prior intention, I was on my way to meet my maker and face up to the life that I had been living until then all initiated by a drunk in an old, four-door sedan who had no plans on even slowing down. Resuscitated over and over on the asphalt, I was eventually rushed to the hospital, where my wife was repeatedly told that I would not be alive much longer. Not being a believer of that kind of talk, she took peace in her heart that I would survive to be with her and our two little boys. Now, having been comatose for two weeks, I awoke frightened and was told that I had little hope of much of a recovery. I was then confronted with Jesus himself, right there in that hospital room. What He asked me over and over at that point clarified my beliefs and gave me the confidence to continue on. I call that encounter a pure miracle and thank God that I was The DOA Who Made It!

Odyssey to Ushuaia Oct 29 2019 What makes a man sell all he owns and ride a motorcycle 22,000 miles from his hometown in upstate New York to the southernmost tip of South America? Some call it craziness; Latinos call it "cojones." This funny, fast-paced narrative follows a young man in his search for meaning, adventure, and the best rum in Latin America. Battling rough roads, careening buses, and bribe-taking cops in 14 countries, he discovers breathtaking beauty as well as what it feels like to hit a truck head-on. He and his companions for much of the trip--two bikers he met over the Internet--form an unlikely and amusing trio. In the tradition of "Road Fever" and "Motorcycle Diaries," Odyssey to Ushuaia is a riot for every reader, and absolutely essential for those planning a similar trip. Loaded with insider information such as how to bribe cops and not lose one's savings, how to cross a border without going crazy, how to handle an accident, and much more, it also features an appendix with the detailed trip lists from all three riders.

Wicked Bitch Nov 30 2019 "Amy White's Wicked Bitch is a white-knuckle, runaway ride on a motorcycle on fire; a white trashmanifesto that hits like a crowbar to the brainpan and goes down with all the subtlety of a straightshot of whiskey. Dripping with pickup truck sex and sung to the tune of red, white and blue rock'n' roll with a southern twang, Wicked Bitch is an American love story told in a smoky roadhouse;the true story of a biker woman who will not rest until she spits in the devil's eye."Dave NicholsEditor Easyriders & V-Twin MagazinePaisano Publications, LLC"Wicked Bitch screams through the backdrop of the real south just the way the moonshiners and the booze runners did in their hot rod Fords a generation ago--hammer down and to hell with anything that gets in their way!"Bill Hayes, author of The Original Wild Ones and American Biker
