Sign and the Seal

Jun 14 2021 A journalist tells of his quest to find the Ark of the Covenant, how he traced it to a remote corner of war-torn Ethiopia, and the significance of the Ark and its mysterious disappearance

The Eagle of The

Ninth Sep 17 2021

The Ninth Legion marched into the mists of northern Britain - and they were never seen again. Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . .

Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return. The Eagle of the Ninth is heralded as one of the most outstanding

children's books of the twentieth century and has sold over a million copies worldwide. Rosemary Sutcliff writes with such passion and attention to detail that Roman Britain is instantly brought to life and stays with the reader long after the last page has been turned. The book is also now the subject of a major film.

The Land of the Seal People Aug 29

2022 No stories were more potent, more engaging, more subtle or profound than these

half-animal, half-human tales of the sea. Time and time again listeners enthralled by Duncan Williamson's lore would ask him for the silkie tale. Duncan grew up with the seals, slept nights stranded by the tide in their colonies, heard countless stories from crofters, fishermen and travellers alike about the strange people who were related to the seal; the silkie stories magically link the two worlds, animal and human, sea and land. This new and expanded edition contains twenty-four stories, including thirteen that are previously unpublished, with a new introduction by Linda Williamson

which examines the background of the West Highland belief in the seal people. 'The Land of the Seal People' is a work of a master narrator, Scotland's greatest contemporary storyteller. The book is adult fiction of high intellectual and literary standards, and, as Scottish folk tales, suits children and adults alike. From the oral tradition of the West Coast, these stories are a vital part of Scotland's heritage. *Seal Surfer* Nov 27 2019 Although he is on crutches, a boy goes to the beach with his grandfather where they watch a seal being born, and during the following seasons the boy and the seal

develop a special bond.

The Selkie Spell

Jun 26 2022 It was more than chance that brought her to this island...

American doctor Tara Moore wants to disappear. On the run from an abusive husband, she seeks shelter on a windswept Irish island and dismisses the villagers' speculation that she is descended from a selkie—a magical creature who is bewitching the island. But when a ghostly woman appears to her with a warning, Tara realizes it was more than chance that brought her to this island. Desperate to escape a dark and dangerous past, she struggles against a passionate

attraction to handsome islander, Dominic O'Sullivan. But the enchantment of the island soon overpowers her and she falls helpless under its spell. Caught between magic and reality, Tara must find a way to wield both when a dangerous stranger from her past arrives, threatening to destroy the lives of everyone on the island.

Sealskin May 26 2022 What happens when magic collides with reality? Donald is a young fisherman, eking out a lonely living on the west coast of Scotland. One night he witnesses something miraculous ... and makes a terrible mistake. His action

changes lives - not only his own, but those of his family and the entire tightly knit community in which they live. Can he ever atone for the wrong he has done, and can love grow when its foundation is violence? Based on the legend of the selkies - seals who can transform into people - Sealskin is a magical story, evoking the harsh beauty of the landscape, the resilience of its people, both human and animal, and the triumph of hope over fear and prejudice. With exquisite grace, Exeter Novel Prize-winner Su Bristow transports us to a different world, subtly and beautifully exploring what it

means to be an outsider, and our innate capacity for forgiveness and acceptance. Rich with myth and magic, Sealskin is, nonetheless, a very human story, as relevant to our world as to the timeless place in which it is set. And it is, quite simply, unforgettable. For fans of Angela Carter, Eowyn Ivey, Alice Hoffmann and Geraldine Brooks. Seal Song Mar 24 2022 Finn loves to swim with the seals in a secret cove. He arrives at the cove one day and rescues a young seal tangled in netting. Finn wishes the seal could live on land. That night the seals sing. "No good comes from seal songs," says Finn's

The Antonine Wall Dec 21 2021

As the most advanced frontier construction of its time, and as definitive evidence of the Romans' time in Scotland, the Antonine Wall is an invaluable and fascinating part of this country's varied and violent

history. For a generation, from about AD 140 to 160, the Antonine Wall was the north-west frontier of the Roman Empire. Constructed by the Roman army, it ran from modern Bo'ness on the Forth to Old Kilpatrick on the Clyde and consisted of a turf rampart fronted by a wide and deep ditch. At regular intervals were forts connected by a road, while outside the fort gates clustered civil settlements. Antoninus Pius, whom the wall was named after, reigned longer than any other emperor with the exception of its founder Augustus. Yet relatively little is known about him. In

this meticulously researched book, David Breeze examines this enigmatic life and the reasons for the construction and abandonment of his Wall.

Alpha May 02 2020

An "infuriating, fast-paced" (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • "Nearly impossible to put down."—Jon Krakauer, New

York Times bestselling author of *Where Men Win Glory* and *Into the Wild* In this “brilliantly written” (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as “the forever war.” When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he’d stabbed a prisoner in cold

blood and taken lethal sniper shots at unarmed civilians. The story of Alpha’s war, both in Iraq and in the shocking trial that followed the men’s accusations, would complicate the SEALs’ post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions

in the heat of combat.

Living with a SEAL
Jan 10 2021
Entrepreneur Jesse Itzler chronicles his month of living and extreme fitness training with a Navy SEAL in the New York Times and #1 LA Times bestseller *Living With a Seal*, now with two bonus chapters. Entrepreneur Jesse Itzler will try almost anything. His life is about being bold and risky. So when Jesse felt himself drifting on autopilot, he hired a rather unconventional trainer to live with him for a month—an accomplished Navy SEAL widely considered to be "the toughest man on the planet"! *Living With a Seal* is like a buddy

movie if it starred the Fresh Prince of Bel-Air. . .and Rambo. Jesse is about as easy-going as you can get. SEAL is. . . not. Jesse and SEAL's escapades soon produce a great friendship, and Jesse gains much more than muscle. At turns hilarious and inspiring, *Living With a Seal* ultimately shows you the benefits of stepping out of your comfort zone.

The Way of the SEAL Apr 12 2021
In the Way of the SEAL, ex-Navy Commander Mark Divine reveals

exercises, meditations and focusing techniques to train your mind for mental toughness, emotional resilience and uncanny intuition. Along the way you'll reaffirm your ultimate purpose, define your most important goals, and take concrete steps to make them happen. A practical guide for businesspeople or anyone who wants to be an elite operator in life, this book will teach you how to: · Lead from the front, so that others will want to work for you · Practice front-sight focus, the radical ability to focus on one thing until victory is achieved · Think offense, all the time, to

eradicate fear and indecisiveness · Smash the box and be an unconventional thinker so you're never thrown off-guard by chaotic conditions · Access your intuition so you can make "hard right" decisions · Achieve twenty times more than you think you can · and much more Blending the tactics he learned from America's elite forces with lessons from the Spartans, samurai, Apache scouts, and other great warrior traditions, Divine has distilled the fundamentals of success into eight powerful principles that will transform you into the leader you always knew you could be. Learn to think like a

SEAL, and take charge of your destiny at work, home and in life. **No Easy Day** Dec 09 2020 For the first time anywhere, the first-person account of the planning and execution of the Bin Laden raid from a Navy Seal who confronted the terrorist mastermind and witnessed his final moments. From the streets of Iraq to the rescue of Captain Richard Phillips in the Indian Ocean, and from the mountaintops of Afghanistan to the third floor of Osama Bin Laden's compound, operator Mark Owen of the U.S. Naval Special Warfare Development Group--commonly

known as SEAL Team Six-- has been a part of some of the most memorable special operations in history, as well as countless missions that never made headlines. **No Easy Day** puts readers alongside Owen and the other handpicked members of the twenty-four-man team as they train for the biggest mission of their lives. The blow-by-blow narrative of the assault, beginning with the helicopter crash that could have ended Owen's life straight through to the radio call confirming Bin Laden's death, is an essential piece of modern history. In **No Easy Day**, Owen also takes readers

onto the field of battle in America's ongoing War on Terror and details the selection and training process for one of the most elite units in the military. Owen's story draws on his youth in Alaska and describes the SEALs' quest to challenge themselves at the highest levels of physical and mental endurance. With boots-on-the-ground detail, Owen describes numerous previously unreported missions that illustrate the life and work of a SEAL and the evolution of the team after the events of September 11. In telling the true story of the SEALs whose talents, skills, experiences,

and exceptional sacrifices led to one of the greatest victories in the War on Terror, Mark Owen honors the men who risk everything for our country, and he leaves readers with a deep understanding of the warriors who keep America safe.

'Bravo on the publication of this witty, wise guide to solo working' Alice Lascelles
'Filled to the brim with advice . . . Such a brilliant book' Emma Gannon
Whether by choice or circumstance, as a freelancer or a company employee working from home, more of us are becoming solo

workers than ever before. But once you've made the leap, how do you actually work well in isolation? And how can you thrive while working alone? Picking up where the freelancer bibles stop, Solo addresses what we gain but also miss when we shift from the structure of an office environment to the solitary confines of our homes or studios. Blending the latest research in psychology, economics and social science with guided self-examination and more than ten years of freelance experience, Rebecca Seal shows you how to stay resilient, productive and focused in a

company of one. Practical and inspiring, she also explores the idea of meaningful work and helps you define your own success.

The Carnivore Diet Mar 31 2020
Shawn Baker's Carnivore Diet is a revolutionary, paradigm-breaking nutritional strategy that takes contemporary dietary theory and dumps it on its head. It breaks just about all the "rules" and delivers outstanding results. At its heart is a focus on simplicity rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. The Carnivore Diet

reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and

Baker offers a thorough discussion of the most common misconceptions about this diet and the problems people have when transitioning to it. [Seal Woman](#) Jan 28 2020

Scottish Folk Tales Apr 24 2022
Folk and fairy tales come from all around the world, but Scottish stories have an age-old atmosphere which sets them apart. The fourteen in this collection are varied and each has at least one classic folk tale ingredient - fairies, ghosts, wizards, sea monsters, frog-princes, mermaids and tiny green men are just some of the characters to be

found in these ancient legends. *The Seal Children* Oct 26 2019 A fisherman named Ewan falls in love with a selkie--half-woman, half-seal--who bears him two children before returning to her own people below the waves. Reprint.
Never Enough Jul 04 2020 In *Never Enough*, Mike Hayes—former Commander of SEAL Team TWO—helps readers apply high-stakes lessons about excellence, agility, and meaning across their personal and professional lives. Mike Hayes has lived a lifetime of once-in-a-lifetime experiences. He has been held at gunpoint and threatened with

execution. He's jumped out of a building rigged to explode, helped amputate a teammate's leg, and made countless split-second life-and-death decisions. He's written countless emails to his family, telling them how much he loves them, just in case those were the last words of his they'd ever read. Outside of the SEALs, he's run meetings in the White House Situation Room, negotiated international arms treaties, and developed high-impact corporate strategies. Over his many years of leadership, he has always strived to be better, to contribute more, and to put others

first. That's what makes him an effective leader, and it's the quality that he's identified in all of the great leaders he's encountered. That continual striving to lift those around him has filled Mike's life with meaning and purpose, has made him secure in the knowledge that he brings his best to everything he does, and has made him someone others can rely on. In *Never Enough*, Mike Hayes recounts dramatic stories and offers battle- and boardroom-tested advice that will motivate readers to do work of value, live lives of purpose, and stretch themselves to reach their highest potential.

Andre the Famous Harbor Seal Aug 24 2019

Sometimes, just sometimes, a human being and a wild animal make a

special connection that changes both of their lives. So it was with Rockport, Maine's Harry Goodridge and the harbor seal pup he named Andre. The two became inseparable, though the seal was free to come and go as he pleased. (His floating enclosure in the harbor simply minimized his presence in skiffs owned by yachtsmen, who complained about his sunbathing in their dinghies.) Noah's Seal Aug 17 2021 Noah waits all day for Nana's boat to be ready so that they can go seal spotting. He waits and waits, and eventually takes matters into his own hands, building his very own seal out of sand-it's

almost as good as the real thing. But it isn't long before a storm whips up, his seal is washed away, and Nana packs up ready to leave. Noah loses all hope that he'll ever spot a real-life seal, until something special happens.

Review "Jaw-dropping...Undeniably riveting."
—RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the

deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

The Medici Seal Jun 02 2020 A gloriously rich and authentic story of the Renaissance, *The Medici Seal* is perfect for fans of *The Da Vinci Code*, *The Borgias* or Netflix hit *Medici: Masters of Florence!* Romagna, Italy 1502. On the

run and fleeing for his life, a young boy - Matteo - is saved from drowning by mysterious men, who turn out to be companions of Leonardo da Vinci. From this moment on, Matteo's life is changed forever, and he thrills at working alongside Da Vinci as he carries out his incredible work. But Da Vinci's cruel and ruthless employer, Cesare Borgia, seems set to ruin Matteo's happiness, and as Da Vinci and Matteo travel across Italy on the Borgia's business, murder, deceit and revenge follow in their trail. For Matteo carries with him a secret - a life-changing secret that both the Borgia and Medici families would kill

to obtain. A secret that must, finally, come to light for all to see . . .

The People of the Sea Sep 29 2022

David Thomson visited the remote sea coasts of the Scottish Isles and the West of Ireland on journeys in search of the legends of the selchies -

mythological creatures who transform from seals into humans. A magical world emerged, in which men are rescued by seals in stormy seas, take seal-women for their wives and have their children suckled by seal-mothers.

Mysterious and fascinating, these stories retain their spellbinding charm through Thomson's

beautiful prose. The *People of the Sea* is a timeless and haunting book, rich in rewards and surprises.

A Seal Called Andre Oct 19 2021

Tells the true story of the unique human-animal friendship between Harry Goodridge and Andre, the harbor seal who was as comfortable in Goodridge's home as he was in Penobscot Bay.

Andre swims with Harry and rides happily in the back seat of Harry's car. He quickly picked up tricks—perhaps the first time a wild animal has been trained in a free-release situation.

He became Rockport, Maine's honorary harbormaster and was ranked "second

only to Andrew Wyeth as the state's most acclaimed summer resident."

Year after year, Andre swam south in the winter, only to return again to Harry the next spring. It's a timeless and iconic Maine story.

SEAL is a collection of true events about the author's time in U.S. Navy SEAL Teams and how SEALs use their humor to cope with all sorts of tragic events that they experience in their professional careers. This book offers the reader a personal glimpse into the minds of America's most elite warriors. The stories explain how SEALs bond with each other to become brothers-in-arms through their

difficult training and tactical missions. This book also explains why SEALs use extreme humor, on themselves and others, in order to cope with a job that places these professional warriors face to face with death on almost a daily basis. There are those who say that it is not logical to run into the face of danger, perhaps that explains why most people think that SEALs are

crazy. We prefer to look danger in the eye and not run from it, perhaps this also explains why there are not so many of us. When *The Bullet Hits Your Funny Bone* takes the reader on an emotional roller-coaster ride of tragedy and laughter, giving the reader a complete inner circle view into the professional and personal lives of America's most elite warriors.
