River of Ink Jan 13 2021 All Asanka knows is poetry. From his humble village beginnings in the great island kingdom of Lanka, he has risen to the prestigious position of court poet and now delights in his life of ease: composing romantic verses for love-struck courtiers, enjoying the confidence of his king and covertly teaching Sarasi, a beautiful and beguiling palace maid, the secrets of his art. But when Kalinga Magha, a ruthless prince with a formidable army, arrives upon Lanka's shores,

Asanka's world is changed beyond imagining. Violent, hubristic and unpredictable, Magha usurps the throne, laying waste to all who stand in his way. Under his terrifying rule, nothing in the city is left untouched and, like many of his fellow citizens, Asanka retreats into the shadows, hoping to pass unnoticed by the tyrant. But it seems his new master is a lover of poetry ... To Asanka's horror, Magha tasks him with the translation of an epic Sanskrit poem, a tale of Gods and nobles, love and revenge, which the king believes will have a civilising effect on his subjects, soothing their discontent and snuffing out the fires of rebellion he suspects are igniting across the island. Asanka has always believed that poetry makes nothing happen, but as each new chapter he writes is disseminated through the land and lines on the page become cries in the street, his belief and his loyalties are challenged. And, as Magha circles ever closer to the things Asanka treasures most, the poet will discover that true power lies not at the point of a sword, but in the tip of a pen.

The Cloister Oct 29 2019 From National Book Award-winning writer James Carroll comes a novel of the timeless love story of Peter Abelard and Héloïse, and its impact on a modern priest and a Holocaust survivor seeking sanctuary in Manhattan. Father Michael Kavanagh is shocked when he sees a friend from his seminary days at the altar of his humble parish in upper Manhattan—a friend who was forced to leave under scandalous circumstances. Compelled to reconsider the past, Father Kavanagh wanders into the medieval haven of the Cloisters and stumbles into a conversation with a lovely and intriguing docent, Rachel Vedette. Having survived the Holocaust and escaped to America, Rachel remains obsessed with her late father's greatest scholarly achievement: a study demonstrating the relationship between the famously discredited monk Peter Abelard and Jewish scholars. Feeling an odd connection with Father Kavanagh, Rachel shares with him the work that cost her father his life. At the center of these interrelated stories is the classic romance between the great philosopher Abelard and his intellectual equal, Héloïse. For Rachel, Abelard is the key to understanding her people's place in history. And for Father Kavanagh, the controversial theologian may be a doorway to understanding the life he himself might have had outside the Church.

My Notorious Life Oct 22 2021 “Exquisitely written and richly detailed, *My Notorious Life* is a marvel. Kate Manning’s rags-to-riches Dickensian saga brings to vivid life the world of nineteenth-century New York City, in all its pitiful squalor and glittering opulence. I loved this novel.” —Christina Baker Kline, New York Times bestselling author of *Orphan Train* A brilliant rendering of a scandalous historical figure, Kate Manning’s *My Notorious Life* is an ambitious, thrilling novel introducing Axie Muldoon, a fiery heroine for the ages. Axie’s story begins on the streets of 1860s New York. The impoverished child of Irish immigrants, she grows up to become one of the wealthiest and most controversial women of her day. In vivid prose, Axie recounts how she is forcibly separated from her mother and siblings, apprenticed to a doctor, and how she and her husband parlay the sale of a few bottles of “Lunar Tablets for Female Complaint” into a thriving midwifery business. Flouting convention and defying the law in the name of women’s reproductive rights, Axie rises from grim tenement rooms to the splendor of a mansion on Fifth Avenue, amassing wealth while learning over and over never to trust a man who says “trust me.” When her services attract outraged headlines, Axie finds herself on a collision course with a crusading official—Anthony Comstock, founder of the Society for the Suppression of Vice. It will take all of Axie’s cunning and power to outwit him in the fight to preserve her freedom and everything she holds dear. Inspired by the true history of an infamous female physician who was once called “the Wickedest Woman in New York,” *My Notorious Life* is a mystery, a family saga, a love story, and an exquisitely detailed portrait of nineteenth-century America. Axie Muldoon’s inimitable voice brings the past alive, and her story haunts and enlightens the present.

But as she reads on, the story takes a dark, sinister turn and is nothing like the story she read the first time. Soon, the terrifying things happening in the book begin to mirror the strange happenings in Lara's own life. With her husband and almost everyone around her convinced her experiences are a byproduct of her stress

and grief, Lara is convinced it's real. Based on what happened in the book, Lara begins to hope it might hold the secret to recovering her memories of her brother, so she sets out to find out more. Lara discovers that the story is real and that she and the women in her family are connected to the book in ways she never could have guessed. What Lara doesn't know is that all three of them know more about the book than they've let on. When Lara's life is endangered by the magic fighting its way out of the book, the women come clean about what they know. They discover the magic contained in the book is uncontrollable and they have no idea what might be waiting on the other side. The women devise a plan to destroy the book. Ultimately, Lara will have to choose between doing the safe, right thing and taking the coven's advice...or the impossible, unbelievable thing that would allow her what she wants most in the world--a chance to connect with her brother again and get her memories back.

Elevation Dec 12 2020 From legendary master storyteller Stephen King, a riveting story about "an ordinary man in an extraordinary condition rising above hatred" (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a "joyful, uplifting" (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, "the sign of a master elevating his own legendary game yet again" (USA TODAY). Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King's most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business

on Scott's lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. "Written in masterly Stephen King's signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences" (Booklist, starred review). *Elevation* is an antidote to our divisive culture, an "elegant whisper of a story" (Kirkus Reviews, starred review), "perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing" (Publishers Weekly, starred review).

But at what price? As Branwell begins to slip into madness and the sisters feel their real lives slipping away, they must weigh the cost of their powerful imaginations, even as the characters they have created—the brooding Rogue and dashing Duke of Zamorna—refuse to let them go. Red Ink Apr 15 2021 Sometimes lies are safer than the truth When her mother is knocked down and killed by a London bus, fifteen-year-old Melon Fouraki is left with no family worth mentioning. Her mother, Maria, never did introduce Melon to a 'living, breathing' father. The indomitable Auntie Aphrodite, meanwhile, is hundreds of miles away on a farm in Crete, and is unlikely to be jumping on a plane and coming to East Finchley anytime soon. But at least Melon has 'The Story'. 'The Story' is the Fourakis family fairytale. A story is something. *RED INK* is a powerful coming-of-age tale about superstition, denial and family myth.

The Weight of Our Sky Aug 20 2021 A music loving teen with OCD does everything she can to find her way back to her mother during the historic race riots in 1969 Kuala Lumpur, Malaysia, in this heart-pounding literary debut. Melati Ahmad looks like your typical movie-going, Beatles-obsessed sixteen-year-old. Unlike most other sixteen-year-olds though, Mel also believes that she harbors a djinn inside her, one who threatens her with horrific images of her mother's death unless she adheres to an elaborate ritual of counting and tapping to keep him satisfied. A trip to the movies after school turns into a nightmare when the city erupts into violent race riots between the Chinese and the Malay. When gangsters come into the theater and hold movie-goers hostage, Mel, a Malay, is saved by a Chinese woman, but has to leave her best friend behind to die. On their journey through town, Mel sees for herself the devastation caused by the riots. In her village, a neighbor tells her that her mother, a nurse, was called in to help with the many bodies piling up at the hospital. Mel must survive on her own, with the help of a few kind strangers, until she finds her mother. But the djinn in her mind threatens her ability to cope.

4 3 2 1 Jun 25 2019 **LONGLISTED FOR THE MAN BOOKER PRIZE 2017** On March 3, 1947, in the maternity ward of Beth Israel Hospital in Newark, New Jersey, Archibald Isaac Ferguson, the one and only child of Rose and Stanley Ferguson, is born. From that single beginning, Ferguson's life will take four simultaneous and independent fictional paths. Four Fergusons made of the same genetic material, four boys who are the same boy, will go on to lead four parallel and entirely different lives. Family fortunes diverge. Loves and friendships and intellectual passions contrast. Chapter by chapter, the rotating narratives evolve into an elaborate dance of inner worlds enfolded within the outer forces of history as, one by one, the intimate plot of each Ferguson's story rushes on across the tumultuous and fractured terrain of mid twentieth-century America. A boy grows up-again and again and again. As inventive and dexterously constructed as anything Paul Auster has ever written 4 3 2 1 is an unforgettable tour de force, the crowning work of this masterful writer's extraordinary career.
