Learn French the Easy Way Nov 25 2021 Do you want to learn French? This book walks you step by step through the basics you need to know in order to communicate in French, taking full advantage of your existing knowledge of English. - "How is English relevant?"The English language uses over 6,000 French words, words like "important", "table", "description", and thousands more. If your English is reasonably good, it's a safe bet that you already know about 3,000 French words. You don't know which ones, though. And it's not just vocabulary. French grammar is very similar to English's grammar. Learning French should be a breeze, but usually, it's not. This book validates your existing knowledge of French - a knowledge you didn't know

you had - to help you Learn French, The Easy Way! All roads lead to Rome... but some are easier and faster! - How long does it take to go from London to Paris? Most people would say, "about 1 hour", because that's how long it takes if you take a direct flight out one of London's airports. Or if you're driving, it will take 6 hours on the shortest route. But on foot, without a map and traveling at random? It could take years and years, going through Moscow, LA, Uganda, Nicaragua, Brazil, Quebec... A lot of people wouldn't make it at all. Learning a language is a lot like that. You think you are on a straight path but chances are, that's not true. Most people end up lost along the way and never actually learn more than a few set phrases, in spite of years of language studies in school. Going from London to Paris can take about an hour, but only if you take a direct flight. Most students think, "Ok, I'm going to learn French", and in their mind, it is all about how hard they study and how smart and how talented they are. It seldom occurs to them how big of an issue what they are studying is. Mostly, they just blame themselves, "well, I guess I am just not good at languages." Of course, you have to study, and some people have an easier time than others, but: Are you on a direct flight from London to Paris, or are you on foot and lost in the middle of some jungle with a lousy map and a compass that doesn't work properly? You could spend years studying French without ever learning to communicate in French. Case in point, the average English speaker knows thousands of French words... and yet the average English speaker sure can't speak French. Studying at random isn't going to help much. As long as you are missing the keys fundamentals of the French language, you will get no closer to speaking French. This book is designed to help you navigate through the fundamentals of the French language, step by step, in plain English. Buy this book and you will Learn French, The Easy Way!

From English to Swedish 1 Feb 14 2021 From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations and text commentaries in English. To help

the reader learn Swedish pronunciation, a series of videos linked to the books is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). From English to Swedish 1 - A basic Swedish textbook for English speaking students (ISBN-13: 978-1512188561, ISBN-10: 1512188565) covers level A1 of the European CEFR-scale. From English to Swedish 2 - An intermediate Swedish textbook for English speaking students (ISBN-13: 978-1533422156, ISBN-10: 153342215X) covers level A2. The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of cultur clashes, all based on the authors' real life experiences. Ake Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining." To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Sprakbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical perspective, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)"

Also, for the audio links as they will be uploaded as unlisted.

Public Speaking in American English Aug 11 2020 "Public Speaking in American English: A Guide for Non-Native Speakers," 1/e Nancy Grass Hemmert, "Santa Monica"" College" Through

discussion of culture, language, and diversity, "Public Speaking in American English: A Guide for Non-Native Speakers" offers real world advice about overcoming the most pressing, relevant, and stress-provoking speaking issues non-native students face. Designed specifically for non-native English speakers, this book follows the traditional public speaking textbook format, but also offers students a sense of the larger community of non-native English speakers, such as LEP and ESL students, who face the same struggles, challenges, and concerns. Every chapter is infused with discussion about the relevant cultural and linguistic issues students are likely to face as well as concrete suggestions on how to address, compensate for, and/or overcome these difficulties. Specific exercises and activities (both within the chapter and at the end of each chapter) allow students to work on their own or in a class to improve their skills set. Additionally, the writing style, though easy to read, challenges the non-native English speaker without frustrating the reader. Features: "Considering Culture" boxes in every chapter investigate the similarities and differences in public speaking within various U.S. co-cultures and other cultures around the world, helping students find connections that go beyond language and aid in their understanding of public speaking. "Considering Language" marginal notes explore the connections between public speaking topics and other languages, enabling students to weave together their understanding of their native language with public speaking. "What Others Say" feature offers anecdotes, stories, quotations and quips from non-native public speaking students, expressing the distinctive challenges and experiences that affect the non-native English speaker and enabling students to see that they are a part of a unique community of speakers. "Hint" features within every chapter reveal quick tips for planning, preparing, putting together, and practicing speeches. "Try This" boxes in each chapter provide quick exercises and activities to reinforce the new content and allow students to put what they have learned into practice immediately.

The Cambridge Guide to Teaching English to Speakers of Other Languages May 08 2020 This book, written by leading practitioners, brings together a comprehensive overview of TESOL.

Basque for English Speakers Jun 28 2019

Do you want to learn Basque with original Basque stories? It's easy with Basque and interlinear English. 130+ pages with every word translated so you can keep on reading. This book contains short stories from Basque Mythology. We have added an interlinear translation to the Basque text. This means that the meaning of every Basque word is immediately accessible, which in turn will make it much easier for you to expand your Basque vocabulary fast. Check out our interlinear French, German, Spanish or other languages! Use the following method to attain new Basque vocabulary. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal and idiomatic interlinear text this is the fastest method to learn to read Basque.

InterSlavic zonal constructed language Jul 22 2021

InterSlavic zonal constructed language is an auxiliary language, which looks very similar to real spoken Slavic languages in Central and Eastern Europe and continues the tradition of the Old Church Slavonic language. InterSlavic shares grammar and common vocabulary with modern spoken Slavic languages in order to build a universal language tool that Slavic people can understand without any or with very minimal prior learning. It is an easily-learned language for those who want to use this language actively. InterSlavic enables passive (e.g. receptive) understanding of the real Slavic languages. Non-Slavic people can use InterSlavic as the door to the big Slavic world. Zonal constructed languages are constructed languages made to facilitate communication between speakers of a certain group of closely related languages. They belong to the international auxiliary languages, but unlike languages like Esperanto and Volapük they are not intended to serve for the whole world, but merely for a limited linguistic or geographic area where they take advantage of the fact that the people of this zone understand these languages without having to learn them in a

difficult way. Zonal languages include the ancient Sanskrit, Old Church Slavonic, and Lingua Franca. Zonal design can be partially found also in modern languages such as contemporary Hebrew, Indonesian, and Swahili.

The Black Book of Speaking Fluent English: The Quickest Way to Improve Your Spoken English
Apr 18 2021 In the world we are living in, English has become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as “the language of business”. If you have ambitions to become an international businessman or to work at some bigger companies, it’s almost essential that you’re able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren’t able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, “THE INTERNATIONAL ESL PROFESSOR ” (with 20+ years of experience) will show you powerful unique ways to rapidly improve your spoken English. With topics you already have interest in, you will find out how easy and effortless to learn and speak fluent English. This effective method is simple, yet powerful. You will be able to learn and improve your spoken English 3 to 5 times faster compared to the traditional way of learning. Inside This Black Book, You will Discover: - The 3 Golden Rules of Speaking Fluent English - The Power of Immersion - The Process of Shadowing - How Intensive Listening works - The Best Accent Reduction Techniques - Bonus Guide: The Secret Method to Become Super Fluent in 21 Days How do you know this book is for me? This book is for busy Intermediate students who wish to get to the Advanced English Level. If you can understand 60-80% of an English speaking movie and understand what you are reading so far, you have found the right book. Stop Using Ineffective Ways to Learn and Speak English. When you are using proper methods to learn, you’ll find that improving English is effortless. Learn and adopt these Proven techniques, tips, and many more secrets revealed in this black book. Don’t Learn Using The Old-fashioned Way. Get a Copy of “The Black Book of Speaking Fluent English” and Start Speaking Fluent English :)

Appleton's European Guide Book for English-speaking Travellers Jul 10 2020

Basque for English Speakers Jun 01 2022 "This book aims to introduce English speakers to the Basque language. The book also intends to show that two very different languages like Basque and English are more similar than might appear at first glance. In fact, all human languages are similar to one another in their most essential features, as they are particular exponents of one single linguistic faculty. While differences exist in particular aspects, English and Basque, when further explored, present more similarities than expected"--

English as a Global Language Nov 13 2020 Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

Turkish Handbook for English Speakers May 20 2021 The ideal guide to Turkish language for English speakers. Includes: over 2,000 sample sentences and idioms; Turkish-English dictionary with over 5,000 words; Turkish grammar; tenses in Turkish; passive voice; indirect speech; conditional sentences; irregular verbs; and much more in Turkish and English.

The Accurate Use of Chinese Feb 03 2020 The Accurate Use of Chinese: Practical Sentence Structures and Word Usage for English Speakers is a unique learning resource for learners of Chinese who are English speakers. The primary goal is two-fold: to help these learners leverage their existent knowledge in English and navigate the Chinese system with fewer obstacles; and also to help them prevent errors of which the underlying cause may be English. This is done through comparisons of selected grammar topics, language rules and word usages between the two languages. Grammar topics in English serve as the comparison points from which learners can gain a deeper understanding of the comparable, but differing structures in Chinese. The book's comparative approach is unique and innovative, designed to build a more nuanced and instinctive approach to grammar. A valuable resource for beginners to advanced learners and instructors of Chinese, the book contextualizes grammar structures and provides in-depth information not covered in Chinese language textbooks.

Chichewa for English Speakers Jun 08 2020

Via Della Grammatica for English Speakers Sep 04 2022 *Via della Grammatica for English speakers è la versione per studenti anglofoni di Via della Grammatica. Infatti, le consegne delle attività e le spiegazioni grammaticali sono in lingua inglese. Un glossario online (in preparazione) offre la traduzione dei termini incontrati nelle attività. Via della Grammatica for English speaker è una grammatica pratica ed essenziale, interamente a colori, di 40 unità, ognuna delle quali affronta uno o più argomenti grammaticali seguiti da attività stimolanti e divertenti. Ogni 5 unità segue un test di revisione e di autovalutazione. Le strutture morfosintattiche sono presentate attraverso delle schede, chiare e concise, le quali si riferiscono soprattutto all'uso comune e pratico delle regole grammaticali. Il lessico è introdotto gradualmente e rispecchia l'uso dell'italiano corrente. A volte, nuovi gruppi semantici sono presentati uniti alla loro immagine visiva, che ne facilita l'acquisizione. Testi autentici su diversi aspetti culturali, letterari e della vita quotidiana offrono agli studenti la possibilità di arricchire e approfondire il proprio patrimonio di conoscenze sulla società, la storia e la civiltà italiana.*

Multilingualism in the English-Speaking World Dec 15 2020 *Multilingualism in the English-Speaking World is the winner of the BAAL Book Prize 2005. Multilingualism in the English-Speaking World: Pedigree of Nations explores the consequences of English as a global language and multilingualism as a social phenomenon. Written accessibly, it explores the extent of diversity in 'inner circle' English speaking countries (the UK, the USA, Canada, South Africa, Australia and New Zealand) and examines language in the home, school, and the wider community. Considers the perspectives of English as a global language as well as multilingualism as a social phenomenon. Written in an accessible style that draws on contemporary real life examples. Examines the everyday realities of people living in 'inner circle' English-speaking countries, such as the UK, USA, Canada, South Africa, Australia and New Zealand. Discusses the theoretical issues that underpin current debates, drawing on research literature on societal multilingualism, language maintenance and shift, language policy, language and power, and language and identity.*

Learning Bengali Alphabet for English Speakers Jan 16 2021 *The aim of this book is to help English-speaking children & adults learn the Bengali (Bangla) alphabet. Throughout the book,*

English phonics has been used to help the reader pronounce the Bengali letters correctly. Each letter in the book comes with an image depicting the highlighted target sound. Directional arrows as well as dots are used to help with letter formation. The book also comes with several simple quizzes to help familiarize the reader with the Bengali alphabet.

Teaching and Learning English in Non-English-Speaking Countries Oct 13 2020 The English language is currently used as a second or foreign language in those countries which had once been British colonies. For example, when united India was partitioned into two main countries, India and Pakistan, it was intended that English would gradually be replaced as the language of administration in both countries. However, as the countries were also home to several regional languages, attempts to introduce a sole official language and abolish English as the second official language have never succeeded. In today's world, English is the language of the cultural, social and political elite, offering significant economic, political and social advantages to fluent speakers. Speakers of the English language automatically enjoy greater social status and have easier access to positions of power and influence. Learning and teaching the English language has therefore become a concern for those who cannot afford to study in native-speaking countries or at local expensive English-medium schools. This book provides various government and non-government educational and professional institutions with simple and practical language-learning courses which fulfil the requirements of people who want to learn English. It will be of great interest to a wide variety of readers, including teachers, language learners, students, linguistic departments, general readers who are struggling to learn English, and professionals who want to overcome the language barrier.

Dutch for English-Speaking Expats Sep 23 2021 Lesboek Nederlands voor Engelstaligen die in Nederland verblijven, met veel informatie over gewoontes en cultuur.

Spanish for English Speakers Aug 03 2022 The essential grammar within a full International Spanish course. Following the author's specific experience and interest, the intention of this book is to provide all the relevant material within a full International Spanish course, with the English-speaking students in mind; presenting all the essential grammar, from basic to advanced, plus additional information, hints and observations, in a simple and logical way with which the readers/students can build their language skills. All topics are explained in English, with examples in both Spanish and English. The material includes Present, Past and Future Tenses, both Simple and Compound, in their Indicative and Subjunctive moods, Commands, Articles, Nouns, Adjectives, Gender and Number Agreement, Adverbs, Prepositions, Object Pronouns (Direct, Indirect and Double), Reflexive Verbs, Irregular Verbs, Conjunctions, Relatives, Prefixes and Suffixes, Weather Expressions, Numbers, Days and Months, Pronunciation, and more. Much of the information and the way it is presented are the direct result of the author's interaction with his students during learning sessions, taking as a great feedback their typical questions and struggles as English speakers approaching the Spanish language. This book is intended as a Supplemental Book; exercises and vocabulary are not

provided. It makes an excellent "portable tutor" for the extensive material covered in an easy-to-carry size.

How to Improve English Speaking Apr 06 2020 How to Become a Confident and Fluent English Speaker! This book provides you with the key secrets you'll need to unlock the next level of fluency and open an entirely new world of fluency. With this book by your side, you'll discover that taking your skills to the next level wasn't nearly as difficult as you originally imagined it to be. You will learn Understanding Grammar and Pronunciation to Improve Your English Fluency The Influence of the Mother Tongue on English as a Second Language How to Improve Your Speaking Skills Developing Native English Pronunciation to Improve Your English Fluency Ways to Improve your English Fluency Improve Your Reading; Your Fluency Will Follow Secrets of a Fluent English Speaker This book is for If you struggle to speak English fluently If you lose confidence while speaking English Being able to speak well and effectively can give you a lot of opportunities. People will take you seriously and consider you as a professional if you speak confidently with the voice of a professional. So, it is important that you develop the skill in speaking with regards to what you want to be English is one of the most difficult languages a person can tackle. Its ridiculous number of rules and exceptions to those rules and unique sentence structure contribute to making it a special challenge, even for those with a knack for languages. Yet, given the amount of media produced in it, the sheer amount of business done using English as a common language, and the number of people around the world who speak it, it is one of the most rewarding second languages to master. Believe me, it is never too late to start improving your spoken English and beating your accent because you are never too old or too young to start doing that. And do not find excuses to not speak like a native; you yourself will feel how cool it is to sound like a native English speaker. Instead, just enjoy the process of learning new things. Make practicing English a daily activity like sleeping and eating. And never give up, stay positive. If at some point you feel you are about to give up, just look back at the learning materials that you used long ago to learn the language; this way, you will see how hard a path you have passed already, and how far you have come.

A la Francaise Mar 30 2022 A la Francaise is designed to help English speakers to overcome numerous and common difficulties in their study of French. An impressive collection of varied mistakes made by students at both intermediate and advanced levels has shown that certain problems arise with great frequency and tenacity; these form the raison d'etre of the book. Since the errors usually stem from the English thought process, all the entries are in that language. Grammatical and lexical difficulties are presented together, alphabetically, for quick and easy reference. The explanations, in French, are as concise as possible; they are often illustrated by tables. This book is neither a grammar text nor a dictionary. Each entry deals only with the difficulty at hand. Grammatical entries emphasize essentially the differences between English and French. Lexical entries are limited to the problem created in translation. q Identifies common mistakes in French q Targets the intermediate or advanced student of French q Presents both grammar and vocabulary entries in alphabetical order q Supplements the composition or conversation class q Serves as a correcting manual and general reference
